Give Her a Cum-Drenching the ultimate fuck She'll Never Forget

By Nancy Ann

Learning "The Ropes"...

I'd like to share a letter from a reader, about a secret that makes sex absolutely explosive (literally!).

Amy writes:

Nancy, my boyfriend has always been able to satisfy me sexually. With an ample cock-size, average endurance, and creative oral technique, he almost never fails to get me off. But what I experienced the night he returned home from a business trip in Europe was the surprise of my life—a fucking I will never forget, and an orgasm that no man before him has ever come close to equaling.

Since I love to suck cock, the second my boyfriend dropped his luggage I stripped off his clothes and proceeded to please him with my best welcome-home blowjob.

Before long my wet mouth had him pumping gob after hot gob down my throat and on my face. With a fistful of throbbing cock, I held on for dear life as he unloaded his sweet jism; these were "power throbs" that kept launching massive amounts of come. I've never seen anything like it—a man having a multiple! I was so totally turned on being nearly drowned with his super-human load. And it didn't stop there! He stayed erect, throwing me down on the floor and pounding my twat until we both had simultaneous, earth-shattering orgasms, practically causing both of us to pass out. The rest of the evening and throughout the week we fucked ourselves into a frenzy; his recovery time between these supercharged orgasms was that of a teenage boy.

Since that mind-blowing night, all I can think of is sucking and fucking my new "power lover" all hours of the day and night. Finally, curiosity got the best of me, so I asked what had turned him into such a fuck machine. His answer: He had learned "The Ropes."

Turns out my boyfriend had spent an evening in Europe with a Swedish nutritionist and his wife of 20 years. The couple was openly sexual and couldn't keep their hands off each other, so my boyfriend asked them their secret. The nutritionist explained he regularly took a natural supplement, and gave my boyfriend about a month's supply, telling him it would teach him "the ropes" of great sex.

The supply is about to run out, and we want to know where we can buy this incredible enhancement. Do you know if this product is available in the States?

Amy B.
Dallas, Texas

Amy, you and the rest of my readers are in luck, because it just so happens I do know about "the ropes," and the supplement your boyfriend's Swedish nutritionist friend likely shared.

The physical contractions and fluid release during male orgasm can be multiplied and intensified by using a product called Serogen. It's a natural, pure extract specially formulated to trigger better, more powerful orgasmic experiences in men. The best part, from a woman's perspective, is that the motion and experience a man can achieve with Serogen can help stimulate a strong female orgasm.

The term the Swedish nutritionist used is actually fairly common slang for the effect your boyfriend experienced. The enhanced contractions and heightened orgasmic release are often referred to as "ropes" because of the rope-like effect of release during climax.

As far as finding this enhancement in the States, I know of just one importer—Somalab. If you are interested, you can contact the company toll-free at 1-866-SOM-A-LAB or visit the Web site www.somalab.net. Serogen is an all-natural, herbal-derived tablet. Most people I've spoken with have said that just taking three a day has led to the roping effect Amy describes in her letter.

HOW TO BECOME A MILLIONAIRE

Last month, when I was reminiscing about how HUSTLER became the no-holds-barred publication it is, I said that the pages of HUSTLER were pretty tame—and circulation pretty flat—until I stopped listening to the people who were saying, "Larry, you can't do that." Once I began following my own instincts, sales took off, and I became a millionaire. And that, I think, is a key secret to every person's success, whether they're male or female, banker or pornographer: Trust in your gut.

Of course there is a bit more to it than that. Along with a strong belief in your own inner voice, you also need laser-like focus combined with unwavering determination. There were times when I had to put it all on the line, my arrest on pornography charges in Cincinnati being one good example. If I had lost that case (which was overturned on appeal), I would have been facing 25 years in jail.

Considering how elusive the goal of success is for most people, the above formula may seem deceptively simple. It is simple. The hard part is sticking to it. You will encounter many distractions and many temptations to put your goal aside: The security of a job, a wife who wants kids, whatever. But if you hang in there, always following your vision, I have no doubt you will succeed. The only question to ask yourself is: How much are you willing to sacrifice to achieve this success?

Toxic Terror

Regarding *Toxic Troops: What Our Soldiers Can Expect in Gulf War II* (June HUSTLER), you may have been misled. It is standard military policy that nurses are commissioned officers, not senior sergeants, as your interviewee, Carol Picou, claimed to be. While I am confident that Mrs. Picou has sustained illness/injury related to her experience in the Gulf War, if she lied to you about what she was, then perhaps that is not the only untruth she is telling you. Do you really think that the United States government would bend its collective will to silence one former sergeant to the point of burning her car? I wonder if the only reason you are printing this is because you do not get along with the current Presidential administration. I have read many of your investigative articles and have noticed a definite liberal/anticonservative slant to them. Between that and the lack of liberal/democratic Assholes of the Month, I am tempted to never again purchase or view any LFP products. The only reasons I continue to do so are Jenna Jameson, all-natural models, the special pictorials such as *Valley of the Amazons* (June) and the occasional pierced/tattooed special you do. I just wish you guys would pay more attention to what you are doing.

—D. H.
via Internet

Picou initially joined the military to become a drug and alcohol medical-health counselor. After earning her practical-nurse license, she was due to receive her commission, but never did, due to extenuating circumstances. As for the article itself, Larry Flynt has always championed our troops, whether they're at home or abroad. He, and we, felt they should be armed with this suppressed and vital information, regardless of whom it offends. Politically, we're just loyal to the truth.

Prison Blues

First, I would like to compliment you on a first-rate magazine. Unfortunately, this letter is not just singing the praises of HUSTLER. I am requesting that you nominate Mr. Martin (Wyoming Correctional Facility Media Review) as an upcoming *Asshole of the Month*. Mr. Martin has held my April and May issues hostage, citing "child porn and incest issues." My subscription ends with the May issue, and even though I want to, I won't renew. I've written so many complaints and appeals on this issue that my hands are too sore to jerk off with. Having your lawyers contact this facility might help, but if you are too busy, having Mr. Martin as *Asshole of the Month* or "Fart in the Wind" would be enough. I truly enjoyed your magazine while I was getting it.

—B. H.

Winds of Change

Enclosed is the article you wrote about the changes at HUSTLER in the May issue. Personally, they suck fag cock. There are way too many ads, not enough Jeanna Fine and one lousy Hot Letter. Not to mention too few jokes and cartoons. The *Beaver Hunt* girls are as ugly as my ass, which is ugly. What the fuck happened? I was looking over the October 2001 issue, which was full of goodies—not shit, ads and ugly bitches. I'm not knocking you at all. I love your magazine, but this ain't the same.

Dildo Dilemma

Seeing a dildo two inches up a pussy does nothing for me. I suggest that when a dildo is to be shown in use, at least three photos should be used. The first should show the dildo pointing toward or just touching the cunt, so the viewer can judge the size of the dildo. The second picture should show the dildo halfway up the cunt, and the third should show it buried up to the hilt.

Big Bang Theory

I've noticed in the past few years that HUSTLER would put down gang-bang movies, saying that when two dicks

"I am a Marine deployed in northern Kuwait and would like to thank HUSTLER for keeping our quality of life up and all of us sane."

touch, the men attached to those cocks are fags. I don't care if they are or aren't cocksuckers. I'm concentrating on the girl being a total slut, having every hole filled with rotating penises. I hate orgies, because the camera constantly roams from one girl to the next. How can anyone stay focused? But what really bores the fuck out of me is watching one guy and one girl. If you couldn't tell by my letter so far, I'm an easily distracted person who likes to be shocked to maintain my interest in porn. —J. W.

via Internet

Bereft Boner

What's up with all the black-and-white pictures recently? Are you guys trying to go artsy on me? HUSTLER has long prided itself on the amount of pink in its pages (except for that period when you were going overboard with Photoshop). Colorless photos are the kind of nonsense *Penthouse* does. Please tell me you're not going to start having guys porking each other now too. The girls should be in full, living color. Flynt said he was going to have HUSTLER pushing the envelope more, and America's best porn mag should be doing this. But some of the stuff that is going in now should stay in HUSTLER'S TABOO. While it's good that HUSTLER gets the messages out that most of the mainstream media will ignore, the fact of the matter is that HUSTLER is a straight-up porn magazine with some of the most wank-worthy matter available. Also, I find that self-mutilation, like in the Rachel and Rob spread (*Rachel and Rob: Flame On, Get Off*, May HUSTLER), is a sure way to lose a perfectly useful boner. —J. M.

Casualty of War

I am a Marine serving with Bravo Battery, 1st Batallion, 11th Marines Beastmasters. Right now my unit is deployed in northern Kuwait and has been for quite a while. I would like to thank you for keeping our quality of life up and keeping all of us sane. We are a ten-man section, and all of us love HUSTLER. It's hard to get issues here, and the desert is hell on the ones we have. Anything you could do to help our situation would be great. —J. M.

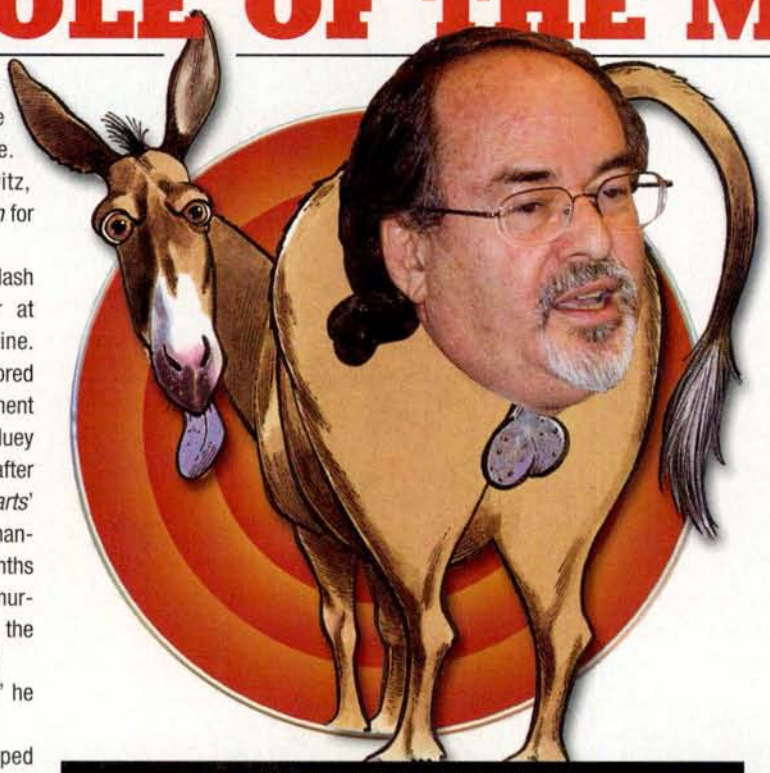
ASSHOLE OF THE MONTH



DAVID HOROWITZ

Turn a rectum inside out, and the result is still the same: shit everywhere. For example, David Horowitz, HUSTLER's *Asshole of the Month* for August 2003.

Horowitz made his first splash during the '60s as an editor at fringe-left *Ramparts* magazine. Davey was particularly enamored with the Black Panther movement and its leader, renowned thug Huey Newton. The love affair ended after Horowitz recommended *Ramparts*' bookkeeper, Betty Van Patter, to handle the Panthers' finances. Months later, Van Patter was found murdered, a death he blames on the Panthers and, indirectly, himself.

"Today, I can't even justify it," he snivels.

Horowitz subsequently jumped ship for the far Right, and seems intent on punishing the rest of the country for his own naïvete. A turd-burbling commentator who spouts his inflammatory dreck via a syndicated column and long-form hissy fits that might charitably be called books, Horowitz seems obsessed with reigniting the Cold War. As if he'd been cryogenically stored in a septic tank since the McCarthy era and has yet to clear the muck from his eyes, Dipshit Dave sees Reds everywhere: "100,000 Communists March on Washington," screams the headline of one recent rant, while another paranoid screed shrieks, "The hate-America Left is attempting to silence right-thinking citizens."

Horowitz's abrupt ideological turn has apparently dislodged what little reasoning capacity he might have once possessed. He whines that conservative viewpoints have been shut out of college campuses and the "liberal media," yet declares, "One has to stigmatize the Left and segregate it." He deems himself an intellectual, but counsels other shit-spewers to "keep it short—a slogan is always better," adding, "Even if you had time to develop an argument, the audience you need to reach...would not get it." He condemns leftists as being "dedicated to America's destruction," then whimpers, "The liberals that I meet are vicious and intolerant."

"Sometimes my tactical agendas conflict," winks Horowitz, acknowledging his hypocrisy.

Dithering Dave is particularly muddled with regard to race issues. "Democrats are driven to inflame race paranoia and hate," Horowitz posits. That's a bold claim, coming from someone who touts self-defined white nationalist and eugenics proponent Jared Taylor as "a very intelligent and principled man." Horowitz dropped his own turd in America's melting pot in 2001, when he took out an ad entitled "Ten Reasons Why Reparations for Slavery Is a Bad Idea—and Racist Too," in college newspapers across the country. Masquerading as an honest rebuttal to proposed slavery reparations, the ad asserted that black Americans actually benefited from slavery and, in any case, they had already received reparations "in the form of welfare benefits."

Horowitz is equally rabid in his assault on free speech. "I know, better than most, the importance of protecting freedom of speech," Dave says. In truth, Horowitz is concerned with demonizing those whose opinions differ from his.

Exploiting the September 11, 2001 terrorist attacks to further his agenda, Horowitz conjured images of professors at the University of North Carolina at Chapel Hill "jumping up and down" in glee as the Twin Towers burned. There's scant proof that this occurred outside of Dumbass Dave's imagination, but that doesn't stop him from tarring nonconservatives as traitors who claim that "America is to blame for what's wrong in the world."

Apparently, Horowitz missed the blame-America-first rhetoric of Jerry "fags caused 9/11" Falwell. But then, he habitually omits inconvenient truths in his hate campaign. Castigating the protesters of Bush's current Iraq invasion as "attacking [their] country, full of [their] own self-righteousness," Horowitz reserved his deepest rancor for author/filmmaker Michael Moore, whom he called "an American-hating Communist."

Pat Buchanan has also publicly opposed the Iraq attack; even former President Bush has expressed doubts. Are they Commies too, or does Horowitz have a blind spot for dissent from the Right?

No need to answer; Horowitz views the world through his brown-eye, and it's clogged with the shit of a deluded Asshole.

FARTS IN THE WIND

Rep Ginny Brown-Waite: Apparently bucking for the top spot in the Ultranationalist Idiots' Derby, Florida Congressperson Brown-Waite recently proposed a beyond-the-pale measure that would exhume slain U.S. troops from graveyards in France and Belgium, in retaliation for France's reluctance to back America's invasion of Iraq. Brown-Waite should concentrate on extracting her head, which is currently buried deep within her Asshole.

John Minnis: Giving Brown-Waite stiff competition is Oregon state Senator Minnis, whose proposed Senate Bill 742 would identify a terrorist as a person who "plans or participates in an act that is intended, by at least one of its participants, to disrupt" business, transportation, schools or government. A thinly veiled effort to discourage antiwar demonstrations, the bill would mandate an automatic 25-years-to-life sentence. How about an anti-Asshole law?

DIEBOLD VOTING MACHINES

We guarantee the outcome.

In the November 2002 election, Sonny Perdue pulled off an incredible upset victory against heavily favored Democratic incumbent Roy Barnes. He has us to thank for that. Diebold's AccuVote, with its patented paperless, virtually unauditable system, helped Perdue become the first Republican governor of Georgia in 130 years. If you're an underdog and a Republican, let us do the same for you. Diebold is the world's leading voting-solutions provider, and we won't leave a paper trail.

But Does She Do Windows?: In Tennessee, 54-year-old Frank Reece got into a fight with his housekeeper, Tommie Burnette, who bit his scrotum, chewed a piece off and spit it out into the front yard, where several dogs chewed the jewel-pouch remnant up. Parlavecchio, who is serving time for loan-sharking and racketeering, was given an additional six months in the joint. But were his Vaseline privileges revoked?

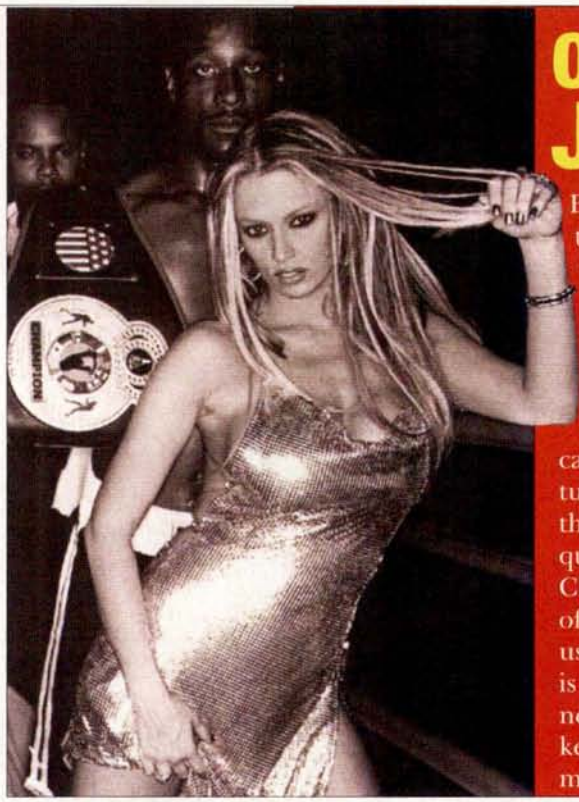
Do Not Disturb, We Mean It: A German couple is suing a hotel in Cuba because a maid kept interrupting them while they were playing "hide the bratwurst." Even though the couple had a DO NOT DISTURB sign on the door, they claim the maid walked in on them twice. The couple now says they want $4,000, but the hotel said the interruptions weren't worth that much. How the hell does the hotel know *that*? The fräulein might have been giving him anal for the first and last time!

No One Will Cut *This* Class: Hoping to reduce teenage pregnancy rates, the British government is supporting a sex-ed class that advocates oral sex for kids under 16. The sex class is aimed at teaching students to discover other "levels of intimacy," such as blowjobs, rug-munching and, perhaps for extra credit, rimming. Study hard, and don't blow the final.

But I *Liked* Having Two Dicks: Doctors in Calcutta, India, claim to have performed the first penis transplant in history. The docs removed a penis from a one-year-old boy who had been born with two dicks, and attached his extra cock to a seven-month-old baby who had been born without a member. Will the kid who started with two dicks sue if he ended up with the smaller one?

Assault With a Deadly Wiener: In Norristown, Pennsylvania, 35-year-old Linda Schultz allegedly stuck a dildo through an opening in her shorts so two passing kids could see it, chased the children around with the plastic schlong and hit one of them on the head with it. Schultz has been charged with lewdness and corrupting minors. Perhaps she can raise money for her defense by baby-sitting.



O'REILLY VS. JAMESON

Bill O'Reilly tends to go off the deep end more times than a Michael Jackson documentary, but he really lost it when he proclaimed he wasn't going to buy Pony shoes because their ad features Jenna Jameson. After calling Jenna a "quasiprostitute" and a bad influence on the youth of America, this quasijournalist defended Charlton Heston's promotion of guns for teens. It seems to us Bill's boycott of Pony shoes is meaningless: He doesn't need shoes as long as he keeps sticking his foot in his mouth.

Landover Baptist is not your average church; it's a Web parody of right-wing religious extremists. The hellfire-and-brimstone preachers at Landover will shock you with their sermons, which explain why women who use tampons are committing adultery; how breast-feeding is a gateway sin; why tricky "Japansy" yoga positions may lead unsuspecting folks to perform oral sex on themselves and why the sulfuric smell in your gas means there are demons living in your colon. The best part of the Web site is the mail sent in by cockeyed conservatives and angry liberals who think Landover Baptist is a serious religious institution. Wouldn't it be great if women's asses smelled as good as they looked? WHAT WOULD Britney Spears LOOK LIKE WITH A DICK IN HER MOUTH?

Whose cock could that be in the yap of America's favorite "virgin"? Colin Farrell's? Fred Durst's? Justin Timberlake's? These days, Britney changes guys more often than her underwear, assuming she wears any. She claims to be a virgin, but in *Rolling Stone* it was reported that Justin Timberlake told a radio show he went down on her when they were a couple. So maybe she thinks of herself as a "technical" virgin, much like she's "technically" a singer. But that's hard to swallow, since Limp Bizkit front goon Fred Durst said on the *Howard Stern Show* that he banged her. Miss Innocent claimed on MTV that Fred wasn't her "type." Then why did she hang out with him at Sundance? And why was he seen leaving her house? At least with a cock in her mouth, we don't have to listen to Britney's lame denials.

DISCLAIMER: No such picture of Britney Spears exists. This is a social commentary on an overexposed female superstar who insists she's a virgin, and yet seems to be with a different bad boy every week. Enough already! Give up the cherry, and leave us alone.

COMEDY CENTRAL PRESENTS DAVID FELDMAN

What It Is: A 30-minute special airing on Comedy Central on June 20 at 10 p.m. Eastern/Pacific. For other areas, check your local listings.

Why We Care: David Feldman is a very talented stand-up comedian and an Emmy Award-winning writer/executive producer of *Dennis Miller Live* on HBO.

Buzz: David is one of the few comics who is edgy *and* funny: "Hey, has anyone heard a rumor that Jerry Falwell was arrested in a men's room 25 years ago trying to solicit sex from another man? No? Well, spread it around."

Downside: You need to have Comedy Central, or know someone who steals or pays for it.

The Good News: David Feldman's special will be aired multiple times; so you have plenty of chances to catch it.

Bottom Line: Finally, some actual comedy on Comedy Central.

Marylin Does Wall Street

Former porn starlet Marylin Star used to thrill XXX fans with her onscreen sexual antics. After getting involved in an insider-trading scheme, she's playing to her prison-cell walls.

Insider Trading With
Michael Louis Albo

Marylin in her XXX glory days.

One thing you learn after a year or two in the jizz biz is that if a phone call comes before 11 in the morning, it's definitely not good news. Tales of overnight suicides, drug busts, domestic violence and the like for sure, but never anything approaching glad tidings. After all, we're dealing with porn people.

So when the phone rang at around 7 a.m., I knew before I even picked up the receiver that something unsavory was about to transpire.

"Hello? May I speak with Mike Albo?" came the husky, tobacco-cured voice of some tramp that I vaguely recognized. "This is Kathryn Gannon, and I know you want to talk to me."

Kathryn Gannon? Who the fuck is Kathryn Gannon? My brain went into search mode and kept coming up empty. Before she could go any further, I interrupted and asked who she was.

"Oh, baby," she said in that tone smut stars use when they are seriously laying down the whore con on whomever they perceive as their current john. She finally cleared things up when she dropped the real name and assumed her alter ego.

"This is Marylin Star, silly. It's been so long since the last time we talked." Despite her attempt to play the conversation off as friendly, early-morning chitchat, I knew the call was all business.

Marylin, who had starred in nearly 100 XXX flicks between 1994 and 1999, had been undergoing a protracted spell of legal difficulties. Her sins? She was caught up in an insider-trading scandal through a couple of her "clients." Seems Marylin, always an enterprising little missy, found that strip shows and X-rated videos didn't pay nearly as well as taking on "private customers," and, with some careful manipulation of her well-chosen clientele, certain information could be gleaned and put to use by an enterprising investor such as herself. The situation presented just two problems: It was illegal, and she got caught.

After hiding out in Canada and sending out messages via Marc Medoff of Adult Press Service, Marylin was finally apprehended, went to trial and was now about to be sent to the big house.

For those porn fans who remember Star as the petite, busty, three-hole-access slut of her video days, her incarceration in a women's correctional facility conjures up all sorts of foul variations of a theme—jackoff fodder supreme.

Had she been smart, Star could have parlayed her predicament into a few bucks and a revitalization of her now-moribund career. Unfortunately, like most porn stars, Marylin couldn't see beyond the immediate future and was, therefore, doing her best to go for the short money.

That's the direction in which her early-morning call headed.

"You know about my legal problems, Mikey," she cooed, using a name nobody calls me. "I would think that HUSTLER would love to have an exclusive story about all I've been through in the past couple of years."

Like everything in the porn world, it wasn't going to be a free ride.

"I'll give you whatever you need, but, as long as you're getting something, I need a layout, and I need to get your full rate. Since I'm up here in Canada, you'll either have to send one of your photographers and a makeup person up here in the next day or two, or you can fly me down to L.A. And, in case you're wondering, my body is in top condition."

She seemed so proud that I hated to burst her bubble. "Uh, Marylin, look. What we're really interested in is doing a straight-up story about your involvement in the scandal and the subsequent fall. While a layout might be nice, the magazine generally is interested in younger, fresher faces. It's the story, not the pictures, that is going to drive this piece. What I'd like is to talk with you and get some final thoughts before you go to lockup."

There was a long, deadly silence at the

end of the phone, but Marylin's a game little chicken, and she came back full force—albeit with desperation oozing from every syllable. "If you don't want a layout," she inquired, "how much do you plan to pay me for my story?"

"Marylin, we never pay interview subjects. It takes away from what little shred of journalistic integrity we might have."

Sensing she was fighting a losing battle, Star unsheathed her claws. "Well, then, you're losing out on a great story. Do you know how many offers I've had in the last week alone? If you're really interested in my story, then you're just going to have to wait like all the other schmucks for my movie to come out."

"Would that be a porn movie like the *Marylin Whips Wall Street* thing you did?"

"No, this is a real mainstream movie with a big, multimillion-dollar budget."

"Any hints as to who will be playing you?" I asked.

"Maybe me; maybe someone else. It hasn't been decided yet."

"What production company is handling all this?"

"I'm not at liberty to say right now. But, you go ahead and write your little gossip column, honey. It's not like I really care anyway. If you can't see what I can deliver to your magazine, then you probably aren't the right people to handle the story anyway."

For all her experience as an exotic dancer, Marylin never quite learned how to parlay her notoriety into bigger and better things—a fatal mistake for a girl on the make in a competitive world. Marylin could never see the "big picture," and, because of this shortsightedness, she invariably went for the fast buck. Marc Medoff, her close friend and confidante, is quick to point out this flaw. "She had offers of contracts; she even had her own comic book, but she never followed through with any of it. At the first sign that there might be some actual effort needed on her part, things started to fall apart."

Marylin, it seems, learned that dancing, while providing her with a degree of self-respect, didn't pay the bills quite as well as entertaining a select group of men who, either bored with family life or having way too much disposable income at their discretion (or a combination of the two), made Marylin a vital part of their social lives. And with that, the pieces were falling into place for big trouble for a tiny dancer.

Among her "special" clientele for "private" escort sessions were two well-known Wall Street players: James J. McDermott Jr., a multimillionaire Wall Street insider and TV commentator, and New Jersey businessman Anthony Pomponio, both married family men with a taste for taking walks on the wild side: in this case, Miss Kathryn Gannon, a/k/a Marylin Star, porn slut. Things seemed to be working out well enough for the three, until they were zapped with a federal warrant that charged them with making a profit of $174,000 in a not-so-elaborate, insider-stock-trading scheme.

At the time of the arrests, McDermott was released on a $1 million bond, and Pomponio made bail for a mere $50,000. Gannon went into hiding in her native Canada, living in luxurious townhouses with various sugar-daddy types and making sure to be disguised whenever she left the house.

The trio faced heavy penalties: a maximum sentence of five years on conspiracy charges and another ten on insider-trading violations. If that weren't enough to scare the wits out of any white-collar crook (let alone a cocksucking porn tramp), they faced fines of up to $1.25 million each. Pomponio also faced an additional fine of $250,000 and an extra five years behind bars on a related perjury charge.

Naturally, it wasn't long before they started turning against one another. For her part, Star played the "dumb-ass whore" role for all it was worth. Speaking through the XXX-rated "news"-gathering clearinghouse Adult Press Service, Star pleaded that she had placed her trust in two guys who should've known better and was duped into profiting from their evil machinations. "I'm an adult movie actress. I'm not a professor of economics!" went one screed. Believing herself to have truly arrived as a celebrity of note, Star added, "Would the world give me a break here?"

The basics of the trouble were fairly simple. Star, who started "dating" McDermott in 1996, would engage in "pillow talk" during which he would allegedly give her secret information about various bank mergers. When her appointment with James was over, she would have a similar "date" with Pomponio, during which she would share the info she had learned from McDermott. With Pomponio acting as a sort of financial advisor, the two made

investments based on the classified information.

Pomponio and Star were alleged to have opened separate accounts at Charles Schwab in mid-1997, from which they bought and sold stocks through the summer of 1998. Star supposedly gained a hefty $88,000, while Pomponio allegedly only raked in $86,000 (apparently, even in the world of high finance, chicks with hooker mentalities come out ahead).

While Star and Pomponio were alleged to have profited from the info McDermott supplied—inadvertently or not, as a guy will say many things to a chick with big boobs and the ability to work her mouth just right—McDermott himself never scored any of the payoffs. However, the feds claimed that, in addition to the stock tips, McDermott also gave Star $37,000 in certified checks and wire transfers over a two-year period for what were termed "reasons unknown." It doesn't take a genius to speculate what those "reasons" might have been: Nothing's free in this world, especially love (or the porn facsimile of such).

The story had gathered enough momentum that Dick Wolf used it as a starting point for an episode of *Law and Order*. Of course, the writers changed enough details so that actual persons and events were not being depicted. (The porn whore in the telecast was murdered, incidentally.)

Had Star played the publicity angle right, she could have parlayed the free publicity into something that she could have taken—literally—to the bank and wouldn't have had to resort, in the end, to begging a porn magazine for a "payout for a layout."

Star was charged with insider trading in 1999, but fled to Canada before she could be arrested. The fugitive screen trollop emerged on Christmas eve of that year to make a tearful, 30-minute statement. She "forgave" the two men who took such terrible advantage of her: "Jim, Anthony? You were my best friends....No matter how this ends up, you are my soul mates for life. I love you, and I forgive you." Words which no doubt came as little comfort to both men's families when they were made public.

The Royal Canadian Mounted Police eventually captured Marylin on the street outside a luxury Vancouver penthouse and extradited her to New York.

On December 2, 2002, Star began serving a three-month sentence at the Women's Correctional Facility in Danbury, Connecticut, which she predicted would just be another "adventure" in her life.

Guys and Dolls

Should I be washing out my rubber love doll's pussy, mouth and ass every time I ejaculate in her? —Marty
St. Charles, Missouri

I don't know about catching STDs from your blow-up babe, but I'm sure a certain amount of creeping crud could be spread without proper cleaning. It's just common sense, honey. Your real, live love doll would be washing after each aforementioned ejaculation. I would suggest hot, soapy water as opposed to a vinegar-and-water douche and Scope. I would also suggest, if it's been some time since your love doll's last cleaning, that you trade this one in for a new model and start over.

Double Duty

I have been using the same dildo on my girlfriend in her pussy and her ass. She got a really bad infection, and the doctor told her it was dangerous to insert a dildo from her ass to her pussy without washing it. Is that true? How do you catch an infection from yourself? Am I the dumbest guy in the world? —F. M.
Cleveland, Ohio

Fecal matter should only travel in one direction—from one's ass to the toilet. It definitely doesn't belong anywhere near your girl's pussy, which could certainly result in a terrible infection. The doctor wasn't lying. I highly recommend a thorough dildo cleansing in between orifices.

Fisting Frenzy

I am having my first lesbian affair, and my new lover wants to fist my pussy. I would like to try it, but I am afraid. Is there a special technique to fisting? Also, is twat-punching dangerous?
—Sandy
via Internet

Patience is always the best virtue in these situations, followed closely by plenty of lube. You need a lot of clitoral stimulation so you're excited and your love canal opens naturally. Communication is equally important; don't be shy about telling your partner to stop at the first sign of unwanted pain. As long as you allow your body, not her fist, to do the talking, then all should go quite well.

Hole in One

A few nights ago, my girl was giving me head and slipped her finger in my ass. At first it hurt, but then I blew my wad harder than I ever have in my life! What happened? Am I gay? I can't even discuss it with my friends! I want her to do it again, but I need to figure this out first.
—Dave
Billings, Montana

The prostate gland, which rests against your bladder and can be digitally accessed just a few inches up your bunghole, is the male clitoris. The sphincter muscles themselves, meanwhile, are rimmed with nerve endings. Naturally, gentle stimulation in that area—especially when combined with a blowjob—will produce the kind of pleasant effect you experienced. Don't worry; you're not gay, unless you fantasize about another guy's dick while your girlfriend is doing this.

BORED IN THE U.S.A.

By Sharon Bass

The candid revelations of three housewives and one guy seeking fun and excitement on live chat lines.

Calls to LIVE chat lines are at EXPLOSIVE LEVELS from HOUSEWIVES looking for fun, and wanting to talk to guys (married or not) about anything and everything. We found three women and one guy who frequent a very popular chat line called **1-800-WIFE-CHAT** and asked them why they are turning to a phone line for sex. Not surprisingly, the answer to our questions seemed to lead down one common path each time - Uninhibited, Instantaneous SEX, anytime, anywhere.

It's Friday night, "Susan's" husband is away on a business trip and her pussy is dripping wet with no one to satisfy her. Does she reach for the vibrator again? No, first, she picks up the phone and calls **1-800-WIFE-CHAT** looking for a man that will make her come over and over again.

"I get so lonely. and bored. Weekends and evenings are so hard on me, so I fix it fast, by finding a horny guy on the chat line who's...REALLY HARD and ready for me!" exclaims "Susan". She continues, "Calling the chat line for no-holes-barred sex talk is a necessity, it's become part of my evening routine."

I GET SO BORED AND LONELY

"Stephanie" will be the first to tell you she has an insatiable need for sex. "My husband is a great guy but he can't keep up with me." she says. "I call **1-800-WIFE-CHAT** about 4 times a week. It's free for me, and luckily, Daniel (husband) sort of looks the other way. It works for both of us, I get a different guy when I want and he gets to sleep through the night."

As "Stephanie" spins her wedding band around her finger she admits, "Just cuz I'm married doesn't mean I can't have sex chat with anonymous guys." she says. "It (being married) adds another level of excitement to calling the chat line."

"Stephanie", (married 5 yrs) in Florida admits, "The chat line feeds my continuous need for sex. My husband just can't keep up with me."

UNINHIBITED, INSTANTANEOUS SEX, ANYTIME ANYWHERE!

"I'm a realtor so I'm always working. Scheduling sex with my husband just doesn't work for me. I've been calling the live chat lines for eight months." claims "Kim".

Spontaneous live chat sessions are common in "Kim's" hectic life as a Realtor. "When I want it, I want it NOW! I'm always on the phone so I can get away with it very easily."

"I came five times on one call....while in my car!"

"I admit, when I first called I was nervous, but this guy had me rubbing my clit within minutes. Needless to say, it made me so hot, I've been calling ever since. I can't get enough of talking about sex, some might say I'm addicted to it."

"Kim" says she's made many new "friends" since calling **1-800-WIFE-CHAT**. "I actually met one guy for an innocent lunch which made our future calls with him even hotter. It seemed liked I was cheating....but I wasn't. Talk about having your cake and eating it too!

100% REAL HOUSEWIVES

"Yeah, I was skeptical about the girls on chat lines." Says "Will" computer programmer by day, chat line stud by night.

"Turns out, **1-800-WIFE-CHAT** is the REAL deal, they're 100% real married chicks, no actresses like other chat lines. I was surprised by how many wives liked to talk sex for hours." Will exclaims. "Some of these chicks can't get enough of me. It only cost's me $1.99 a minute and I get to fuck as many married women as I want!"

> "No actresses like other chat lines."

Warning - **1-800-WIFE-CHAT (1-800-943-3242)** is an adult community designed to connect Horny Men with Bored Housewives for explicit adult chat and is intended for people 18 or older only.

Seymore Butts helps porn penetrate the world of reality television. Jackie and Courtney lend a, um, hand.

Family Business

Seymore Butts on the Boob Tube

The Showtime network hopes to attract viewers with *Family Business*, an X-rated reality series that documents the life of porn director Seymore Butts. Who knew that a guy could get his own TV show by fucking chicks up the ass?

Behind the Screen With Charlie Amter
Photography by Ladi von Jansky

Seymore Butts, a/k/a Adam Glasser, is running late again.

The busy XXX director and woodsman has just pulled his black Escalade into the parking lot of a Glendale, California, radio studio for a promotional interview on busty *Playboy* gal Juli Ashton's satellite-radio show.

Besides Ashton, a film crew of three awaits Mr. Butts. The crew is shooting footage for *Family Business*, cable outlet Showtime's new reality show, which documents Glasser's life.

The lead cameraman instructs Butts to go back in his car and reenter the studio, this time with more swagger. Apparently, even "reality" needs to be tweaked in the name of entertainment.

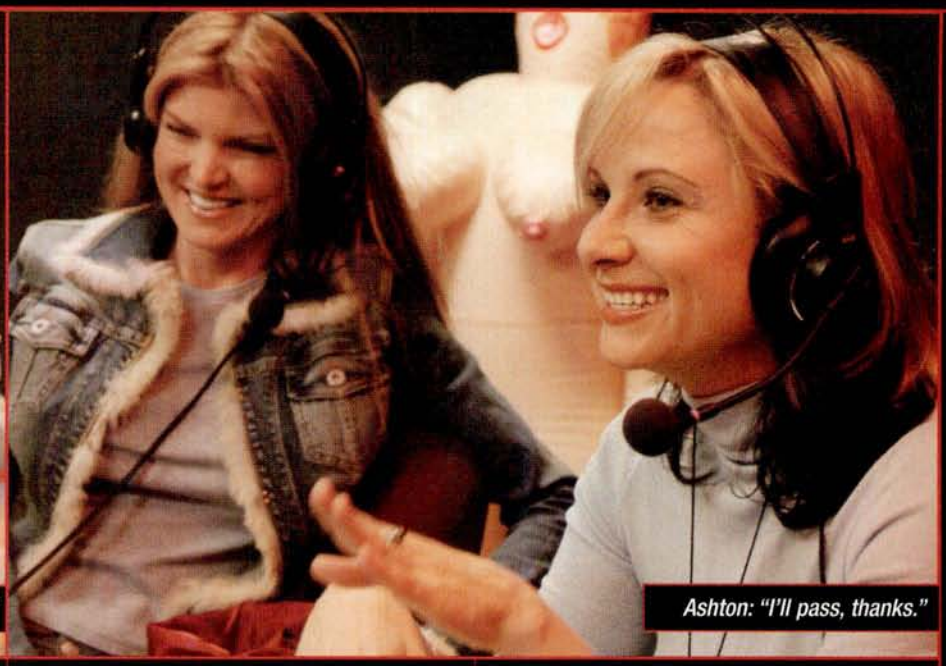
Showtime is putting its "No Limits" motto to the test with the world's first adult-themed reality show. Although the series has boundaries—there are no penetration scenes, spread beavers or cumshots—it is by far the most explicit reality program to date. While the perpetually foul mouths of the Osbournes and Anna Nicole are bleeped, *Family Business* features full-frontal nudity—even that of a wanna-be porn stud jacking off in a futile attempt to achieve wood.

Pornography, it seems, has become so mainstream that a reality series offering a behind-the-scenes look at the XXX industry hasn't even inspired Bill O'Reilly to demand a boycott.

Back in Glendale, the radio station is cramped with *Playboy* executives, Showtime suits and slick, leather-jacket-wearing *Family Business* director Jay Blumenfield, all simultaneously yapping into their cell phones.

In the studio, things are heating up for Seymore's interview. "I've heard a lot about Seymore," coos the blond Ashton into her microphone. The busty

Butts: "Pull my finger!"



Ashton: "I'll pass, thanks."

talk-show hostess is wearing a gratifyingly form-fitting top, and her nipples are visibly erect. "I've heard he has quite a package!"

The 6-2, brown-haired Glasser doesn't miss a beat as he straps on his headphones. "I have a fat penis," the porn stud declares, causing the engineers behind the mixing boards to laugh hysterically. "I consider myself a little above average as far as length goes, and more than average as far as width goes—not that I consider myself an expert on the penis."

Glasser may not be a cock connoisseur, but he most certainly is an authority on the female sphincter muscles.

I met Glasser at his plush San Fernando Valley home when the cameras weren't rolling. While Glasser's house is large, modern and in an exclusive, gated community, he lives like a college student. The Butts crib is almost completely bare, and everything smells faintly of kind bud.

Born in New York, Glasser moved to Los Angeles, where he opened a gym and became a fairly well-known personal trainer. A chance encounter with Glasser's soon-to-be arch rival John Stagliano, a/k/a Buttman, inspired Adam to assume the Seymore Butts moniker and close up the gym in favor of a different kind of workout—hard-core porn.

Glasser's videos, which he directs and sometimes stars in, include such proctological masterpieces as *Tampa Tushy Fest Volume 1* and *The Adventures of Seymore Butts*, classics of the extreme-ass-play genre. The anal auteur's relentless pursuit of hot girls who take big cocks and other implements of mayhem in through the out door earned him a loyal following throughout the 1990s. In fact, Glasser's ass-plowing antics became so well-known that he managed to attract the attention of some unwanted viewers—Los Angeles prosecutors hell-bent on convicting Glasser on an obscenity charge.

In April 1999, authorities charged Glasser with obscenity for his *Tampa Tushy Fest Volume 1* tape, one version of which contained a fisting scene between Glasser's former girlfriend, Alisha Klass, and Chloe. Glasser pleaded not guilty to one count each of violating California Penal Code Sections 311.2 ("production, distribution or exhibition of obscene

matter") and 311.5 ("advertising or promoting matter represented to be obscene"), better known as "pandering obscenity." Glasser eventually worked out a deal with the prosecution team in which he agreed to release a tamer version of the "offensive" tape.

"But that only clears me in Los Angeles," adds Glasser, kicking back on a white couch, one of the few pieces of furniture in Butts's lair. "The silver lining to that dark cloud is that I was seen by the producers of *Family Business* being interviewed on a PBS special about the trial."

The controversy, no doubt, only added to Glasser's appeal when it came time to green-light the reality series.

"Seymore Butts is the perfect all-American, reality-TV-show star," exclaims *Family Business* coexecutive producer and director Jay Blumenfield, whose production company is also responsible for giving the world the reality program *Big Brother*. "Just watching him think up movie titles is hilarious."

Family Business is largely Blumenfield's baby, and he becomes visibly excited when talking about Seymore, Seymore's mom and employee, Lila, and especially Seymore's cantankerous, scene-stealing cousin, Stevie.

"Stevie is insane, basically," says Blumenfield. "One time on a shoot, Adam's assistant forgot the lube. On a Seymore Butts porn shoot, when you forget the lube, that's a major problem. Stevie went to get the lube. Our film crew followed him, but he got it at Eros Station, where you can apparently get a lap dance. So Stevie decides, *What the hell? I'm here; I might as well get a lap dance!* While the entire crew waits on the lube, Cousin Stevie is getting a lap dance. Stevie is just a little bit scattered."

If Cousin Stevie is scattered, then Glasser's mother is the rock of the show. Seymore's mama also works for the "family business," mostly doing accounting for Glasser's porn company, Seymore Inc./Seymore Butts Home Movies.

For most guys, just the thought of their mothers catching them masturbating makes them uncomfortable. In Seymore's world, his mom is deeply involved in his slut-fucking business.

"I communicate with my mom every day about the business, but it's not like she is on the set watching me," says Glasser. Mother Glasser claims that she does not watch her son's films. Even so,

"All right, Mr. Butts. I'm ready for my close-up."

she is surrounded by his "product" all day long.

Regardless of whether Glasser's mom watches her nice, young son fuck hot blondes up the ass, she clearly cares for him. She even tries to fix him up with "nice Jewish girls" throughout the course of the series. The debut episode was equal parts reality television, soft-core porn flick and dating show.

Which makes for entertaining viewing, even if the show's star isn't particularly impressed. "For me, it seems a little boring," says Glasser, "because it's my life, you know?"

It's hard to imagine a life of boinking porn babes up the butt as anything near boring, but Glasser hopes that *Family Business* will strike a proper balance between titillation and myth deflation. "There is a tremendous amount of sexual content in the show—which is always interesting for people," the pornographer notes. On the other hand, he adds, "You are seeing people being pretty free and themselves in a world that is rarely shown to mainstream America. People's perceptions of the porn world are very different than how it actually is."

"Maybe this show will enlighten some people into the adult industry," says Cousin Stevie. "We're not perverts; we're normal people trying to make a living. It's a business, for God's sake."

One episode of *Family Business* in particular encapsulates the absurdity of Glasser's life. Before Glasser can attend his 20th high-school reunion, he needs to shoot a final scene for one of his upcoming female-ejaculation porn flicks. Thanks to Cousin Stevie's "recruiting" efforts, he has found an amateur gal who can apparently squirt buckets of cum.

Glasser decides to film the aspiring starlet in the rear of the limo that he chartered for his reunion. Glasser, the gal and a camera operator from the television show pile in. The chick spreads her legs with her back to the chauffeur. Glasser sits on one side of the automobile, holding his Minicam, while the *Family Business* cameraman crams himself into the very back, pressed against the limo's rear window, maneuvering his lens around Seymore's head to capture all of the action.

As the scene grows more intense, the reality-show lensman moves in closer, hovering inches away as the spread-legged recruit works up a vaginal gusher with the help of a mini-vibrator. As the slutty girl sprays her stuff, the Showtime crew member narrowly averts the torrent of bodily fluid that soaks the backseat of the limo, along with Glasser's camera.

Later, as Glasser makes the rounds at his 20th high-school reunion, he receives high fives from stunned male alumni and curious glances from the now-grown ladies of Santa Monica High School, alma mater to such thespians as Sean Penn, Emilio Estevez, Charlie Sheen, Rob Lowe and Robert Downey Jr.

Despite the school's impressive alumni, Glasser emerges as the breakout star of the reunion. Bankers, lawyers and CEOs think twice about their career decisions. Their spouses look Glasser up and down with insatiable curiosity and half a mind to rent a Seymore Butts video. Glasser is a rich-and-famous porn star who not only makes large sums of money by fucking hot chicks up the butt, but has also parlayed his ass-reaming efforts into his own reality show, traditional success be damned.

Jesse Jackson

Pipes up for Peace

As America charges ahead with its invasion of Iraq, Jackson warns against Bush's war crimes, weapons of mass deception and the possibility of World War III.

On the Streets With Ed Rampell

On March 15, 2003, while the assholes met on the isolated Azores islands to plot war, 50,000 dedicated protesters in downtown Los Angeles braved monsoonlike rain to demonstrate against the invasion of Iraq.

At the head of the march was the Reverend Jesse Jackson, who rode in the back of a large, slow-moving, semi-enclosed truck. The veteran peace activist and civil-rights leader alternately rallied the crowd through a bullhorn, flashed the peace sign and swayed as rapper Wil B sang anti-Bush numbers and the truck's public-address system belted out the lyrics of a classic rock anthem: "War! What is it good for? Absolutely nothing!"

Midway through the march, the truck suddenly halted and demonstrators stopped. Jackson, wearing a cast on one leg, climbed down from the vehicle's steps and strode to the front line of the peace parade. As the crowd roared and the rain poured, the former presidential candidate joined other luminaries—including *Judging Amy*'s Tyne Daley and Ron Kovic, the wheelchair-bound Vietnam vet whom Tom Cruise portrayed in *Born on the Fourth of July*—behind a huge banner denouncing an attack on Iraq.

The crowd marched to the Los Angeles federal building, where the charismatic Jackson—demonstrating his legendary oratory—was the rally's keynote speaker.

After the protest, Jackson met with members of the media. The following Q&A is culled from that press conference.

* * *

QUESTION: You've said that "President Bush was arrogant." Why?

JESSE JACKSON: This is not a fight of the U.S. versus Iraq; it's Bush versus the world. And to close the world out and dismiss it as a "focus group" is to express utter contempt for the world. The fact is that if the U.S. kills people and occupies Iraq, that's a war crime. And those who execute it must face an international court of justice.

QUESTION: What sort of effect might the invasion have domestically, in terms of morale?

JACKSON: Someone asked me a moment ago about demoralization in the country. There's hope in the country. Bush is increasingly cynical, and now he's afraid. He's afraid he's overcommitted troops. We have a great country, and we cannot live above the law. We must espouse international law and human rights and self-determination and workers' rights and environmental rights. We must be the leaders of those values. What makes America strong is not that we have the power to threaten and intimidate; it is that we can lead the world by our values. We cannot threaten the world by our military might. My concern now is that the American people do not give up on our quest for peace.

QUESTION: What are the long-term implications of war with Iraq?

JACKSON: For the record, there's 22 million Iraqis. We can destroy them militarily. But then [after] the destruction is the occupation. America occupying an Islamic country—that's where the real battle begins; that's where the Third World War begins. There's 22 million Iraqis, but next door there's 70 million Iranians. With all of the focus on Iraq now, Iran is building, at least, nuclear capability. The reason the U.S. supported Iraq in the first place [during the 1980s Iran-Iraq War] is to be a kind of buffer between Iran and the Persian Gulf. To us, if Iraq is destroyed, then Iran becomes another factor. But while we focus on Iran versus Iraq, al Qaeda remains an imminent threat.

QUESTION: Concentrating on Iraq would seem to leave us vulnerable on a number of fronts.

JACKSON: They [al Qaeda] are less checked and more of a threat than Iraq. Then there's North Korea: dangerous, destitute and armed with nuclear capability that can hit California. Then there's the unresolved Middle East crisis. Within our own country, we must make certain that we do not lose the dream of Israelis and Palestinians coexisting, and not coannihilating. We must use our strength to be a bridge between Jews and Arabs, and not allow that crisis to further deteriorate. The dream of Israel and Palestinians coexisting must not be a dream compromised in this war. I am rather impressed today that the world is saying that, from strength, we can negotiate peace.

QUESTION: One of the most frustrating aspects of the Iraq campaign is the lack of credible information being offered by our own government.

JACKSON: The U.N. got more weapons destroyed in Iraq between '90 and '98 than were destroyed in the [first Persian Gulf War]. Furthermore, we continue to say that Saddam ran the U.N. inspectors out. That's not true. The U.S. pulled [the inspectors] out. So that we're look-

ing now at weapons of mass deception.

QUESTION: What do you think this war is really about?

JACKSON: There's an ego factor here, because Bush and Blair are so far out in their commitment. Some think it's personal; Mr. Bush wants to finish his father's unfinished business. The fact is, his father pulled together a global coalition to do the right thing: Drive Iraq out of Kuwait. I was there to meet with Saddam and urged him to release 600 [people] he was using as human shields. He did that. He should have pulled back from Kuwait; he did not. He was driven back. So his father was correct in driving them out of Kuwait and not destroy[ing] Iraq. [The current President] Bush has, in effect, become a great global divider. America deserves credible leadership and knowledgeable leadership, and not an incoherent foreign policy. Today, there's a leadership deficit.

QUESTION: There's been a series of marches and demonstrations across the country and, indeed, across the world, and yet the administration has been more committed to war.

JACKSON: If you put water on fire, and it does not go out, you keep putting more water on, because water will extinguish fire. These demonstrations will grow and mature, because they represent America's rising hope. People do not march like this unless they're full of hope. Bush is running because he's cynical, and he's afraid that people here are not afraid, and they're full of hope. It is this growing hope that ultimately must prevail. We must go forward by our hopes and not by our fears.

QUESTION: What should the masses of people do? Should they resort to civil disobedience?

JACKSON: Civil disobedience, yes. But remain nonviolent. We must embrace our soldiers and not reject them. We must not become violent. I'd rather see the power of nonviolence, because it is the pitter-patter of our marching feet in these huge numbers that will ultimately determine how the Congress and Senate will respond.

QUESTION: Do you think Prime Minister Blair's backing of the President gives him credibility?

JACKSON: Mr. Blair, amazingly, has chosen to follow Bush, rather than lead the British people. He is ignoring the British people, who said to him, "Slow up the war; consider all options." He is not doing that. He has sought to undermine the U.N. by calling the U.N. weak. This turns on the Labor Party; that they're against peace options is very disturbing.

QUESTION: What do you think his motivation is?

JACKSON: I do not know what his motivation is. I know what his destination is. It is to be an ex-official of Britain if he insists upon a policy that jeopardizes the people of Britain, and jeopardizes Britain's interests in Europe and in the Middle East and in the Persian Gulf. Right now, he's limiting Britain's domain as a great power.

QUESTION: What is the long-term cost to America if a leader ignores massive numbers of people and voices of dissent?

JACKSON: The least cost is political. The bigger cost is moral. For, if China chooses to attack Taiwan; Pakistan, India, or vice versa, we have no moral authority. It jeopardizes all Americans within America. It jeopardizes Americans abroad. It jeopardizes our economic growth. In many ways, it isolates America and, therefore, exposes our vulnerability. After all, we are just 6% of the world's population. And the more isolationist we become, the more of a minority we become.

TLEY CRÜE

Vince Neil

UNCENSORED

Mötley Crüe's lead singer gives a behind-the-scenes look at his show, *The Surreal Life*, and speaks candidly about his Viagra use, groupies, prostitutes and the death of his child.

Interview by Giddle Partridge and Dan Kapelovitz

Mötley Crüe frontman Vince Neil has reached a whole new audience thanks to his starring role on *The Surreal Life*, the WB network's contribution to the reality-show craze. The program featured Neil, *Webster*'s Emmanuel Lewis, MC Hammer, Corey Feldman, *Beverly Hills 90210*'s Gabrielle Carteris, *Baywatch* actress and *Playboy* Playmate Brande Roderick and Jerri Manthey, better known as "that bitch from *Survivor*." The seven celebrities were forced (i.e. paid) to live together in a house for ten days as their actions and interactions were videotaped. Oddly enough, Neil comes off as the group's voice of reason, especially compared to Feldman's irrational and tedious behavior.

HUSTLER met Neil and his fiancée, Lia Gerardini, at the Beverly Hills Hotel's Polo Lounge a few days after Neil's performance at the AVN Awards Show. The rocker spoke at length about sex, drugs, fast cars, Corey Feldman and the needless cancer death of his four-year-old daughter, Skylar.

* * *

HUSTLER: Are you still in contact with any of *The Surreal Life* cast members?

NEIL: Actually, on Thursday night, we just watched it with Hammer, Jerri, Brande and Gabrielle.

HUSTLER: Have you thought about starting a band with Corey Feldman?

NEIL: I don't think so. No.

HUSTLER: So everyone's friends minus Corey?

NEIL: Minus Corey.

HUSTLER: Is he a handful?

NEIL: He's just a pain in the ass, is what he is. There's always got to be drama: "Something to eat?"

"No, I don't eat that kind of food."

"Let's go fishing."

"No, it's murder."

HUSTLER: Do you like how they edited the show?

NEIL: I think it's edited great. They even told me that, even though Corey's coming off so bad, they could have made him look a lot worse, because there's a lot of stuff they edited out.

HUSTLER: What didn't they show?

NEIL: A lot of stuff. Like in the camping episode—the next morning, we went fishing. That's when Corey got on the kick, "I can't be a part of murder." And it's like, "What are you fucking talking about? It's fishing." He goes, "God put them on the earth." He's going on this whole religious thing. I said, "One of Jesus' disciples was a fisherman. He didn't bitch about it." We get back from fishing, and Corey had made these signs and put them all over the campground: MURDERERS. He's a fucking moron.

HUSTLER: Do you think Feldman needs to get back to drinking and drugs?

NEIL: Oh, man, maybe. He just needs to loosen up, period.

HUSTLER: Didn't Michael Jackson have something to do with both Corey Feldman and Emmanuel Lewis?

NEIL: It was so funny, because we were on our way to go camping near Santa Barbara; they're going, "Take this road, and you go to M.J.'s place." I'm thinking, *Michael Jordan lives there? How do they know Michael Jordan?* Then it finally dawned on me it was Michael Jackson. And then I just kind of creeped out, because I could just picture both of them sitting on Michael Jackson's lap, just hanging out with him and who knows what. I wouldn't really brag that I stayed at the Neverland Ranch.

HUSTLER: Who do you think would make a good Asshole of the Month?

NEIL: *The National Enquirer*. They just print crap all the time—they put me in there for stuff that never happened. I just got word I'm in this week's issue, saying that I'm going to get arrested for back child support, which is a complete lie. My daughter's 20 years old. You don't pay child support when they're 20 years old, but they go ahead and print that I'm going to be thrown in jail for nonpayment of child support. Believe me, if that was true, the police know how to get a hold of me. It's not like I don't have published management numbers and attorneys and stuff. It's very simple.

HUSTLER: Have you ever sued *the Enquirer*?

Too legit to quit? Neil with The Surreal Life co-star MC Hammer.

Vince Neil freedom-kisses his fiancée, Lia Gerardini.

NEIL: No, but I've been close many times—fistfights that never happened. Mainly it's wives and ex-wives, and stuff like that, and they pay these people to get crap on you that isn't true.

HUSTLER: What's the last fistfight you were in?

NEIL: Well, the last one I was *allegedly* in, according to *the Enquirer*, was when we were parked at the Rainbow [a club on the Sunset Strip]. We go out and get in my Rolls Royce. And this guy is parked across the driveway on Sunset so we couldn't get out. I honk the horn, let him know we're there. The guy looks at us—nothing. So we wait a few minutes. Honk again. The guy flips us off. Fucking honk again, and the guy's all, "Fuck you." I'm like, "You know what? Fuck you." The guy gets out of his car. I get out of the car. This guy's right in my face. All of a sudden, this kid—he's about 18 years old, big, buff motherfucker—goes, "You don't talk to Vince Neil like that." And the guy goes, "I don't give a fuck who he is." The 18-year-old just hauls off and—*boom!*—knocks this fucking guy over into the tables where people are eating, beat the fucking crap out of him, broke his jaw, broke his arm. I give the guy 100 bucks and say thanks. We get in the car and drive away. That's it. [Later] there's a news thing in *the Enquirer*: There's a warrant out for my arrest in California. The police are looking for me; they can't find me. Gee, I have a fucking tour schedule on the Internet. They can't fucking find me?

HUSTLER: How did you feel when Mötley Crüe replaced you?

NEIL: I didn't care.

HUSTLER: You weren't jealous?

NEIL: No, because I had a hit single out with "You're Invited But Your Friend Can't Come" within a month after I was out of the band. Jealous? No. I was laughing because they didn't do good at all. I sold a million records; they sold 50,000. I never heard the album. It really didn't even interest me.

HUSTLER: What kind of groupie stories do you have for HUSTLER?

Mötley Crüe in their heavy metal heyday. From left to right: Nikki Sixx, Neil, Mick Mars and Tommy Lee.

NEIL: We told this girl to sit on a bottle of champagne, and she squatted on the bottle. We told her not to move. We came back an hour later; she was still on it. It's like, "What are you thinking?" We would always have the contest where we took a two-headed, double-ended dildo and we tied a $100 bill in the middle of it and gave it to two girls. Whoever could reach the $100 first won the hundred. So they would be squirming against each other, trying to get that hundred.

HUSTLER: What's the most girls you've been with at one time?

NEIL: Four. Last year on my birthday. That was Lia's birthday present for me. She took me and my friends to the [Nevada brothel Moonlite] BunnyRanch for a few days.

HUSTLER: How many girls have you dated that have appeared in HUSTLER?

NEIL: A few, but they're all porn chicks. Like Savannah. Janine. A couple other girls. I'm sure a lot of the girls I dated would fit in there; I just maybe missed it. I've known Larry for years. We used to go to his house back in the '80s with Althea. In the *Generation Swine* album, Larry was the star of our video. He's like a doll maker. He's sitting there carving mannequins and shit.

HUSTLER: How would you improve HUSTLER?

NEIL: Celebrity pictorials.

HUSTLER: No celebrities will do it. Unless you want to.

NEIL: Yeah. Me, Lia and a couple of girls, like a bus thing. Like at the back of a tour bus.

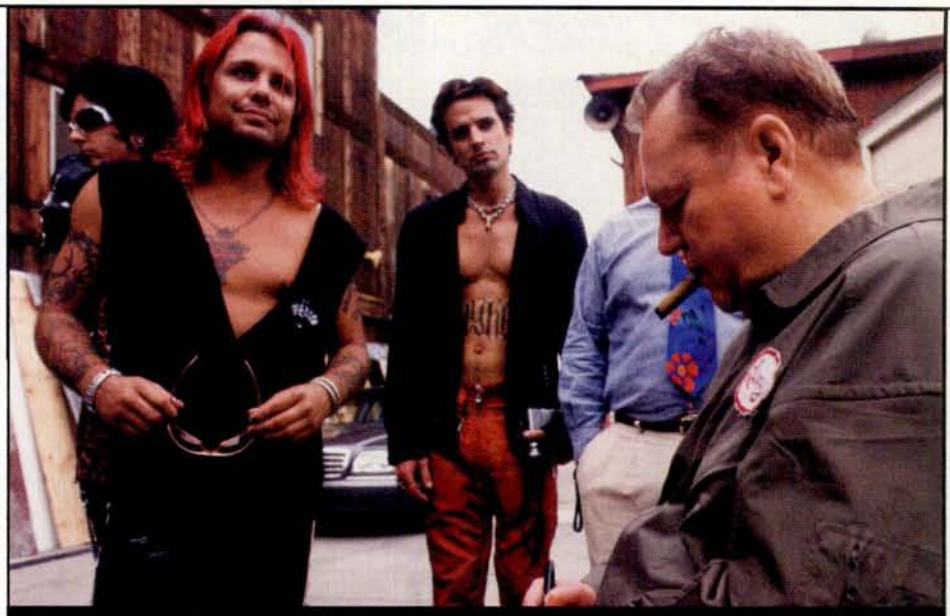
HUSTLER: You'd pose nude for HUSTLER?

NEIL: I'd have to get in shape a little more, but yeah.

HUSTLER: You already got some practice when you put out that video of yourself with Janine and another chick.

NEIL: I didn't put that out. That's another *Enquirer* thing. Now if you look at the video, gee, there just happens to be one girl whose face is blurred out. Don't you think that maybe she's the one who did it? It was a girl named Brandy Sanders; she was the *Penthouse* Pet of the Year. I never had the tapes. She had the tapes and, all of a sudden, I get a call from these people who are putting this thing out, and I have no fucking clue. I could not do anything about it. But instead of making a mistake like Tommy and Pam did, going on air and going, "Oh, my tapes, my tapes," which just brings more attention, I just didn't talk about it, and it went away.

HUSTLER: Have you seen the VH1 show called *Graveside Groupies*, which [Mötley Crüe bassist] Nikki Sixx hosts?



Larry Flynt with the Crüe on the set of their "Afraid" music video in 1997.

NEIL: No, but I do a bunch of those VH1 one-offs. I just did one for cars called *Sex Drive*. I got a Lamborghini, four-wheel drive. It's like a Hummer, but it's made by Lamborghini. They call it the Rambo Lambo. It's got a V-12 in it. They do 150 in the sand. They only made, like, 400 of them. Eddie Van Halen is the only other person I know who has one. Then we have the Rolls Royce and the Mercedes.

HUSTLER: At one point, didn't you have 37 cars?

NEIL: No, I only had 20, 22 cars. I had four Ferraris, Lamborghinis, a couple of Rolls Royces, a limousine, four-wheel-drive trucks. I had lifts in my garages so I could stack cars on top of each other. Then you get older and you're like, "What the fuck am I doing? I can only drive one at a time."

"I took Viagra once when it first came out. I went through about $15,000 in hookers."

HUSTLER: Did you guys stay for the entire AVN Awards Show?

NEIL: No, because I went out there singing, and, all of a sudden, I see this girl standing in front of the stage. I'm singing "Girls, Girls, Girls" with all the girls and everything, and I looked down. My fucking ex-wife Heidi, who was a Playmate, is standing there. I haven't seen her in two years. Everybody was sitting at their tables, but she's standing there. There's a stalker story, absolutely. Speaking of stalkers, there's some chick on a plastic-surgery show on the E! Channel. I'm sure I probably met her once. She tells E! that [she's] my girlfriend. This girl says, "Me and Vince, we were together for so long, and I made all of his costumes, and we were together through everything." I'm like, "Who the fuck is this girl?" And the funny thing is—because there were two girls [on the show]—the other girl I actually dated. I had my attorneys call E! and say, "Reedit that show." But they keep playing it; it just pisses me off that this girl tells everybody that she was my chick.

HUSTLER: Do you still do drugs?

NEIL: No. I can't even remember the last time I did any kind of drug.

HUSTLER: What do you think of bands who say, "Just say no to drugs?"

NEIL: I think that sucks, but I'll have to say, in all honesty, I was guilty of it. I did one of those Rockers Against Drugs [public-service announcements]. And I did this thing, we're on the motorcycle with this chick, and I go, "Don't use drugs." I just did a big line right before that.

HUSTLER: Have you ever taken Viagra?

NEIL: One time I took Viagra just to see what it would do. I was in Atlantic City, and it was when it first came out. I went through about $15,000 in hookers so I could try to come, because it just wouldn't happen. I had no idea the effect that that pill would have.

HUSTLER: How many prostitutes did you go through?

NEIL: I don't know. It was for three days.

HUSTLER: You only took one pill, and you had an erection for three days?

American Idol for Strippers

Vince Neil's Cooch Cattle Call

Photos courtesy of RK 2 Zee Productions

During the week of Valentine's Day, exotic dancers from around the country flocked to Las Vegas to compete for $25,000 in Vince Neil's Girls Girls Girls, a bump-and-grind competition organized by the singer. The stripper contest—named after Mötley Crüe's 1987 hit song—was judged on four categories: original costume, lingerie, poise and personality, and best lap dance. "It's like *American Idol* for strippers," says Neil.

The competition was designed to promote Neil's upcoming album, *Vince Neil's More Girls Girls Girls*, a record of classic rock songs from the '70s and '80s that have since become stripper anthems, such as Tom Jones's "You Can Leave Your Hat On" and tunes by Loverboy.

The event's winner was a law student who goes by the professional name India. The half Brazilian/half Cherokee dancer entered the stage wearing colorful gum balls on her breasts, which she threw into the hungry crowd for their chewing pleasure. Whether or not the gum gimmick won India the contest is unclear, but according to one judge, "She really knows how to move her butt to the striptease beat."

Neil and company plan to take the contest around the country, then bring all the winners back to Vegas for a final showdown with a $100,000 grand prize. "Shit, I'll enter for that," claims Neil.

NEIL: Yeah, one pill. I'll never do that again. That was fucked up.

HUSTLER: Do you have any other good drug stories?

NEIL: We had a doctor in Denver that—

HUSTLER: The Elvis doctor?

NEIL: Yeah. He gave us every fucking pill you ever wanted. I took like six Halcyon one night and, I think, a Placidyl. I was fucking wasted. I remember getting into a Suburban limo, and they had this TV screen that had those loops of the fireplace. And I just remember sitting by the TV, trying to get warm. Here's another story: Mortoni's is a really nice restaurant in the Hard Rock Casino in Vegas, and I was really out of it, and we're sitting there with a bunch of people. Everybody's all dressed up, and I had to go to the bathroom. I got up, I took about two steps to this tree, and I just started pissing in the middle of the restaurant. Everybody in the whole place was watching me. They were a little upset with me.

HUSTLER: Was it weird at the church, on *The Surreal Life*, when MC Hammer kind of singled you out because of the death of your daughter?

NEIL: Oh, yeah. I was shocked.

HUSTLER: Do you get uncomfortable talking about your daughter's death?

NEIL: No, not uncomfortable; I love talking about the good times, the memories and stuff. It makes me sad at times. It's good to be in L.A. for a little bit; I haven't been to the cemetery in awhile, because we live out there [in Las Vegas]. So we're gonna go there tomorrow and hang out a little bit. And so that kind of sits good.

HUSTLER: What happened with your lawsuit against Rocketdyne? [Neil sued the company, alleging that it polluted his neighborhood with radioactive waste, causing his daughter's 1995 cancer-related death.]

NEIL: The judge threw it out because it's such a government-owned thing. There's not just my case, but there was the whole city around it. They only kept like five cases open, and mine was one of them; mine actually ended up going to court. But the judge—this was the most idiotic thing—I tour constantly, and, in the *L.A. Times* one day, there was an article about the dangers of Rocketdyne. And they said, since I didn't read it—it was like, if I'd have read it, then I would have known the dangers, and then my case would have been okay. And since I wasn't home, and I didn't read it, they threw it out.

HUSTLER: Were they saying that, because of the statute of limitations, you only had one year to sue once the information was in the *L.A. Times*?

NEIL: It was that and something else too.

HUSTLER: Didn't Rocketdyne's lawyers want your lawyers to give them some documents?

NEIL: We had every document of everything. There's a whole lot of cancer cases revolving around that, because we're talking about fucking rocket fuel being dumped. I lived on top of a hill. The bottom of the hill was owned by Rocketdyne. That's where they do the rocket tests and everything. All the shit goes into that area, and it's just covered up by dirt and stuff. And it's been there for years. So obviously it's gonna seep into the well water.

HUSTLER: Wasn't there a nuclear meltdown at Rocketdyne in 1959?

NEIL: Yeah. So we had them dead to rights. If it was privately owned, that would be a different thing, but it's a government thing, and they're wrong. Of course I asked the doctors, why did [Skylar] get cancer? Obviously they don't fucking know. But you hear these reports: "Oh, it's the smoking," "It's the food you eat," "It's the this," "It's the that." You're fucking four years old; you're not exposed to that much yet. Give me a break. It's weird, because she went through six operations, and they actually cut the cancer out of her. It weighed like four pounds. You only weigh 30 pounds when you're four. It's like most of your body. They took me down to pathology, and they actually showed me her cancer. I was just like, "I gotta see what's killing my daughter." It was like looking at evil. It was black, and that's what pure evil *(continued on page 132)*

Yasmyne knows how to be naughty herself: "The wildest places I've ever had sex in are a car and an elevator. But it was also pretty exciting when I did my first hard-core video scene with a guy in HUSTLER XXX #20."

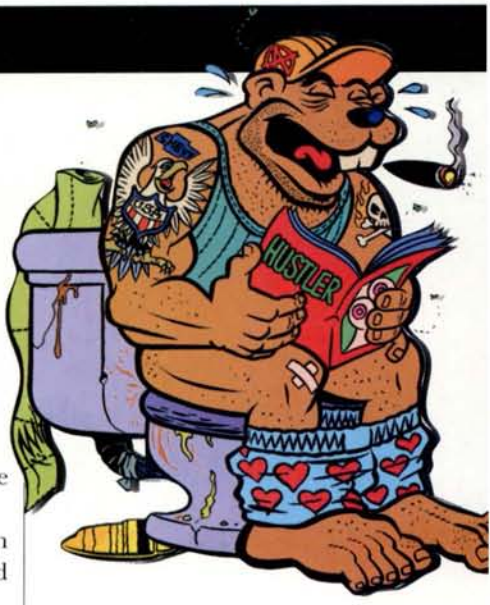
Question: What do you call a Taliban soldier who owns both a sheep and a camel? Answer: A swinger.



A man went to his doctor and said, "I want to be castrated."

"What?" asked the doctor. "Surely you don't want that."

"Yes," the man said, "that's what I want. I insist."

The M.D. told him to check into the hospital. When he did, he was stripped, laid on a cart, wheeled into the operating room and anesthetized. Then *chop*—off they came.

The next day, the patient woke up in a double room and, wanting to be sociable, asked the man in the next bed what he was in for.

"Oh, I was circumcized," the other man said.

"Son of a bitch!" the first man screamed. "*That's* the word I was looking for!"

Question: What do eating pussy and being in the mob have in common? Answer: One slip of the tongue, and you're in deep shit.

A college freshman was walking through his dorm when he bumped into a hot chick wearing a loosely tied robe.

The barely covered beauty immediately began flirting with him, and after a minute she placed her hand on his chest and said, "Let's go to my room. I hear someone coming."

He followed the coed into her room and, once inside, she dropped her robe.

"Tell me," she purred, "what do you think is my best feature?"

Looking over her delectable naked body, the freshman answered, "I guess that would be your ears."

"My ears?" she asked, puzzled. "How can you possibly think that the best part of this body is my ears?"

"Well," he stammered, "back in the hall, when you said you heard someone coming? That was me."

The HUSTLER Dictionary defines *molester* as: a guy who eats Brownies.

Miss Oxley held an impromptu spelling quiz on her first day of teaching the fifth grade.

She told her students to raise a hand if they had learned to spell a word containing at least 11 letters while on summer break.

Only one student, pretty and vivacious Nancy, raised a hand.

"I learned to spell a word having 12 letters last July," announced Nancy.

"What did you learn to spell?" asked the schoolmarm.

"Masturbation," Nancy answered proudly.

Several classmates snickered as Nancy clearly enunciated the letters m-a-s-t-u-r-b-a-t-i-o-n.

Frowning, Miss Oxley primly declared, "Correct. You spoke a mouthful, young lady."

Shaking her head, Nancy replied, "No, Miss Oxley, you're talking about a blowjob."

After three years of marriage, Kim was still questioning her husband about his lurid past.

"C'mon, tell me," she pleaded for the thousandth time. "How many women have you slept with?"

"Darling," he protested, "if I told you, you'd throw a fit."

Kim promised she wouldn't get angry and convinced her hubby to tell her.

"Okay," he said, then started to count aloud, "one, two, three, four, five, six—then there's you—eight, nine, ten, eleven, twelve...."

Three old ladies named Gertrude, Maude and Tillie were sitting on a park bench having a quiet conversation when a flasher approached.

The exhibitionist came up to the ladies, stopped right in front of them and opened his trench coat.

Gertrude immediately had a stroke. Then Maude also had a stroke.

But Tillie, being older and more feeble, couldn't reach that far.

A doctor examined an ailing woman, then took her husband aside.

"Listen," the doc said, "I don't like the way your wife looks."

"I understand," the husband replied solemnly, "but she has a good job, and the kids are fond of her."

Rubber FREAKS

Stretch .atex Lovers Their Limits

Whether lying in vacuum-sealed latex beds or engaging in perverted medical scenarios, rubber junkies get their elastic fix. Report by Clint Catalyst

German photographer Jo Hammar has been perfecting his fetish art since the 1960s, when he began shooting rock stars and models in rubber-wear for record covers and fashion magazines. Hammar has produced two books of his fetish-themed photography—*Fetish Rubber* and *Female Rubber*—and numerous periodicals, including HUSTLER'S TABOO, have published his titillating images.

Perhaps Hammar's greatest contribution to fetish photography is his discovery of fellow Deutschland resident Natalia, the queen of latex-fetish modeling. The striking Natalia was first introduced to fetish and rubber garments while working as a makeup artist and hairstylist on Hammar's photo-shoots.

"At that time, I was 18 years old," says Natalia. "Very soon I found out that this material electrified [and] excited me. It became my major sex trigger, one of the most important things in my life."

And hence came about the transformation from Natalia to Nurse Natalia! (choice of punctuation her own), a role she leads not only in front of the camera, but as a self-styled, professional "clinically rubberized latex nurse." Nurse Natalia!, who finds clients through her Web sites—www.NataliasRubberClub.com and www.RubberAddicted.com—conducts private sessions throughout Germany. The Teutonic rubber fiend offers the "treatments and therapies" of latex mummification, trampling under latex layers, rubber tubing in any and all available orifices, something called "enforced ejaculations" in full-rubber bodysuits, breath reduction and training via gas masks, and literally dozens of other kink-filled options.

"In your rubberization, you are at my mercy—[the] object of my strict and fully rubberized perverse practices," says Natalia, who also enjoys being covered head-to-toe herself in latex fetish wear that makes her look like a rubber alien with huge, fake tits. "Being 'rubberized,' I feel horny the whole time. When wearing rubber, I cannot stop thinking of making perverse sex. Rubber rules me. The feel, the smell, the touch, the firm grip of rubber, wearing heavy rubber masks, being tubed and hosed in all body orifices turns me into a sex machine. I cannot fight it. When wearing rubber, I *need* perverse

rubber sex, with a man, a woman, a couple or two women."

Mr. Blow Up is another rubber freak who, like Natalia, has taken his obsession beyond the margins. The 49-year-old London businessman is married to a 48-year-old German woman who shares his interest in rubber. Earlier this year, the kinky couple emigrated to Spain to run a small farm and establish the vulcanized retreat of their dreams.

"It all began with plastic or PVC rather than rubber," recalls Mr. Blow Up. "I remember being attracted to blow-up air beds and beach balls from my early teens, and then, seeing articles about rubber clothing in magazines and newspapers made me want to try that as well. My first piece was a pair of underpants from a mail-order company, which was discreetly advertised in Sunday newspapers."

Latex gives Mr. Blow Up both tactile and olfactory pleasures. "Rubber stretches and molds to your body like no other material, and new rubber has an amazing smell, sometimes like chocolate and sometimes more chemical, like ammonia. The smell can be overpowering if you are totally enclosed in rubber."

Total enclosure is Mr. and Mrs. Blow Up's specialty. Mr. Blow Up's Web site (www.MrBlowUp.com) features dozens of variations of odd-shaped rubber garments in its photo gallery: inflatable hoods, colorful bodysuits that distend in size to resemble gargantuan lemons or tomatoes, even a Middle Eastern-inspired, expandable ensemble for the ladies.

"[Wearing latex] is a sort of comfort blanket or stress-buster," claims Mr. Blow Up. "It's very warm and cozy and, of course, sexual too. Somehow it empowers you, makes you feel better and less inhibited. With the more elaborate outfits, there is also the degree of body modification—distortion of the human form into something more alien or sinister. A big, inflatable sleep sack or body bag is the rubberist's version of the Lilly [sensory-deprivation] tank, a form of isolation that allows you to drift away

and forget the outside world. Some folks see it as a return to the womb: a soft, warm, supportive enclosure."

Jen X. and Bob K. of Tustin, California, take the total-latex-enclosure niche to the opposite end of the spectrum. Their company, Vacbed.com, manufactures exactly that: garment-quality latex, fabricated in full-size vacuum beds that remove all oxygen and render the occupant motionless.

"It's the ultimate latex-bondage experience," says 33-year-old Jen X. "You get inside, between the two rubber sheets, and suddenly all the air is sucked out, leaving you only with a tube to breathe through. You feel the rubber shrink over every square inch of your body, but you can't move; you can't hear; you can't see. And you don't know what's coming next."

Obviously, this activity requires a certain amount of trust among the Vacbed user's peers, but the contraptions are "really fun at parties," according to Jen X. "The minute someone's inside, they want to be touched by everyone in the room—even by strangers they normally wouldn't even talk to."

The latex barrier presents an unusual dichotomy: feeling a heightened sensation of touch without actually being touched.

"My favorite thing to do while in the Vacbed is get polished. I love the feel of the mist going over my body, and the sensation of getting shined up," admits Jen X. "I'm a marathon Vacbedder. Sometimes I'm in there for 45 minutes at a time. Achieving climax is also an incredible experience, if you can do it."

"My boyfriend and I have always loved amateur porn," confides New York City fuck bunny Nina. "When we bought a digital camera, we started making our own personal dirty movies. One thing led to another, and we decided to make this Web site."

Nina's that hot little Gotham slut you wish lived down the hall from you. From the wicked smirk she flashes while gobbling down her man's piece to her love of good, clean role-playing games, Nina's sexual passion oozes from the computer screen. This Web site is what turns her on, and it shows. "The idea of getting dressed up and exploring different sides of myself really appeals to me," says the dark-haired vixen. "I think people can get stuck in a certain role sometimes and ignore other very important parts of their personality. I can be dirty, innocent, submissive or dominant, depending on my mood."

To that end, the cyberhostess presents numerous settings that distinguish her venture from typical novice skin sites. Nina shows just how bad a girl she's been by sucking off Santa Claus under the Christmas tree until he unloads his sack of goodies across her lips, while a visit to a sculpture garden soon has a buck-naked Nina covered in leaves and pleading for cock down her hungry throat. Another scenario casts Nina as a horny cave girl who gets the boning of her life from a lucky Neanderthal.

So what ultimately turns on this creative and adventurous cockhound from the Empire State? "One of my biggest fantasies is to get fucked by a lot of guys all at once. I don't think I'll ever take part in a gang-bang, but this site allows me the fantasy without actually doing it. Imagine how wet I get when there's over 100 guys in my live-cam show and we're all coming together."

www.SexyBrooke.com <<<<<

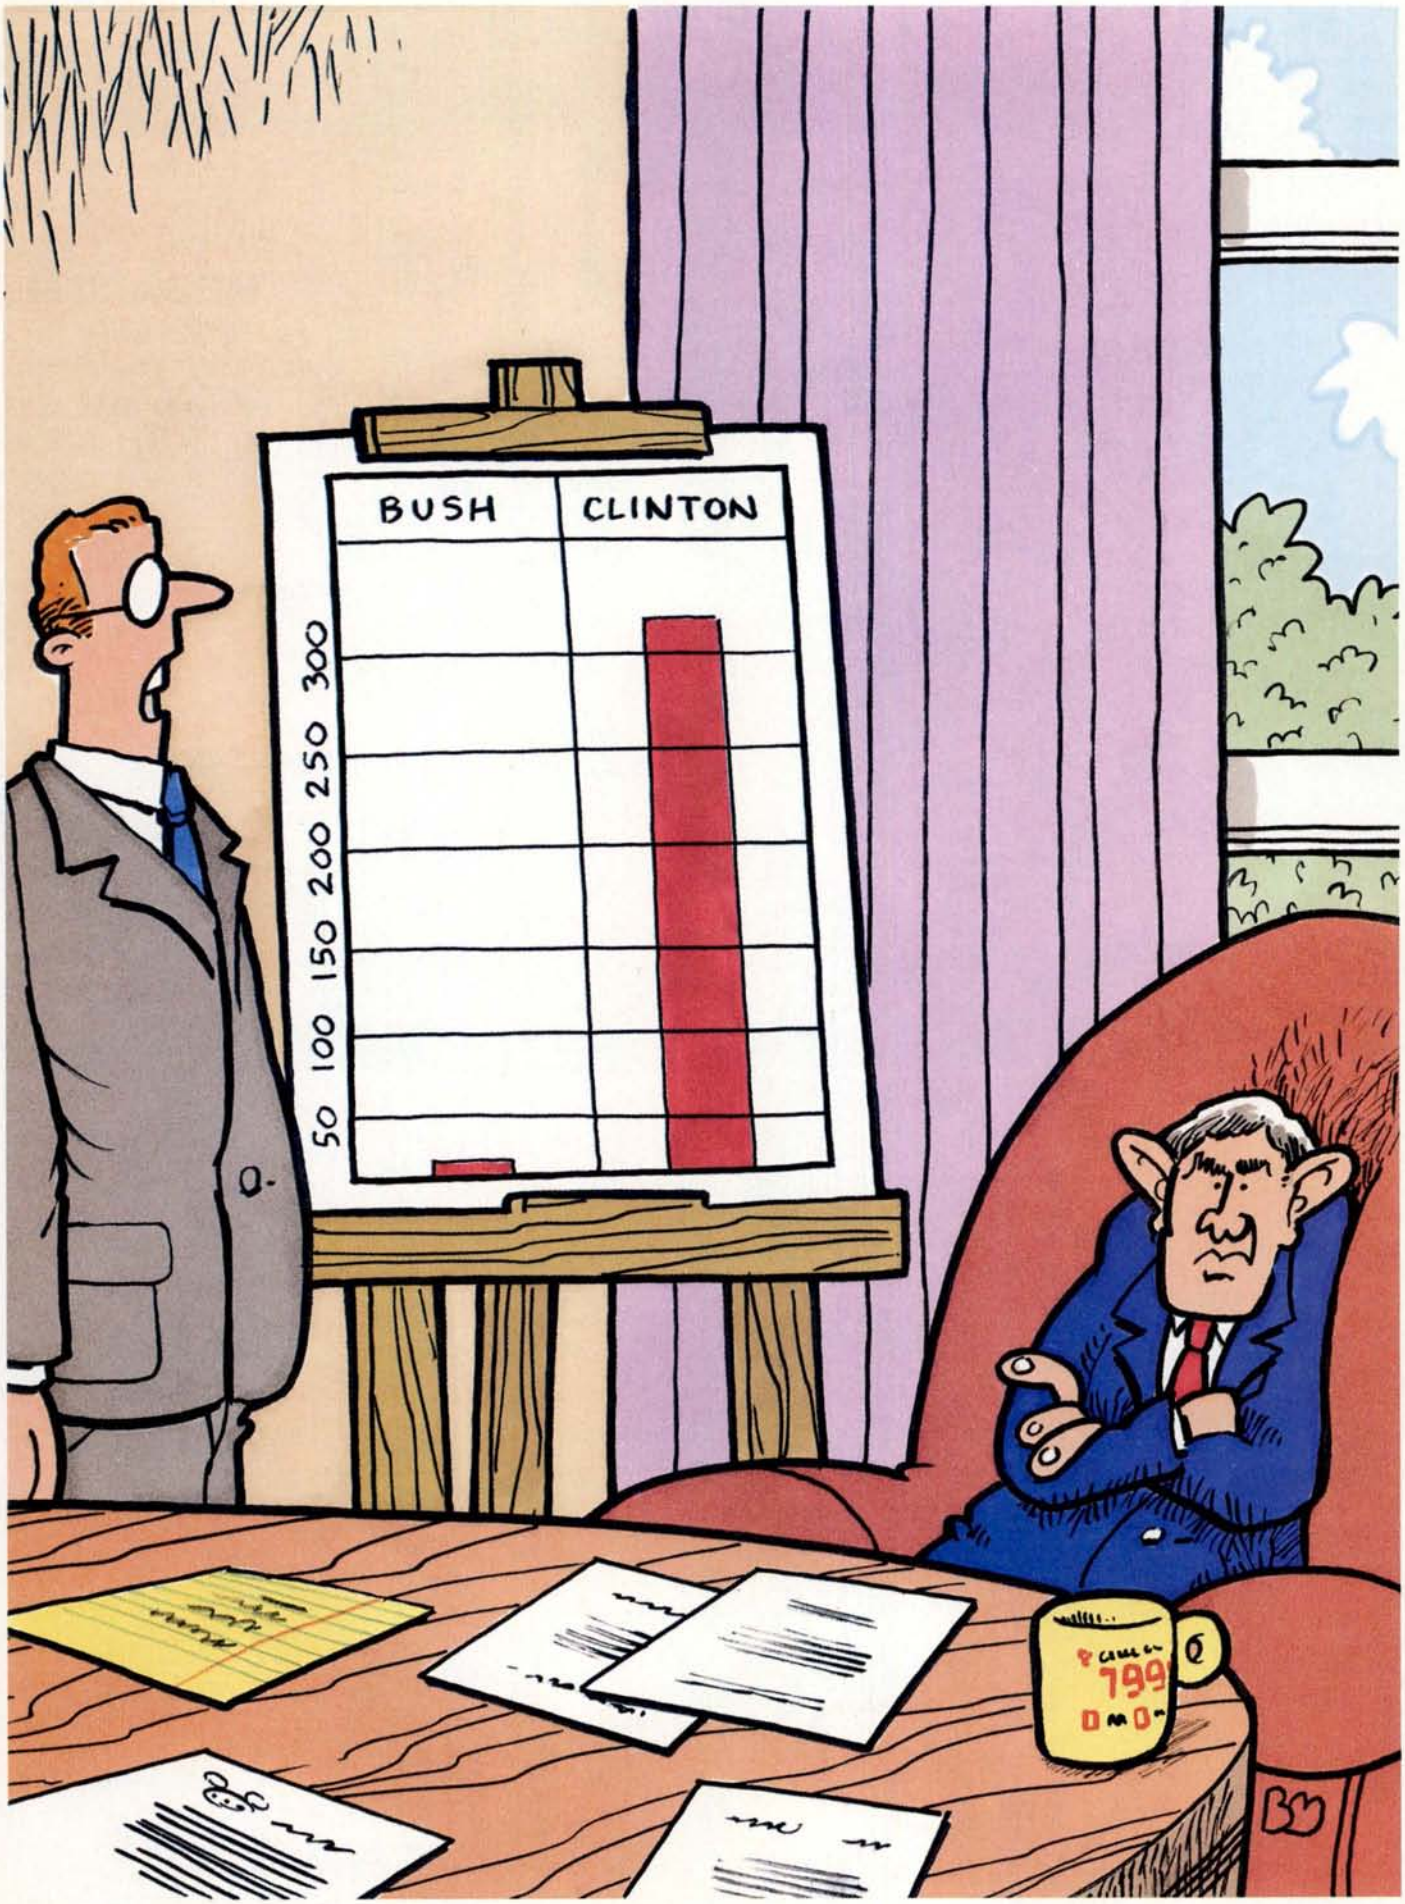
From the Lone Star State comes Brooke, a homegrown, dirty blonde who packs a Texas-size portion of chest meat, along with the (figurative) balls to use it.

An innocent southern gal Brooke ain't. Accompanied by her husband and a camera, the cantilevered tramp entertains her sexual cravings by ditching her clothes and spreading her sweet pussy on public beaches, at the local watering hole and in a Wienerschnitzel parking lot. "The naughtier side of me comes out in the outdoors," purrs Brooke. "Flashing my tits and pussy while people are right close by is an added thrill that gets me so wet. This Web site is just a reason to be as naughty as I want to be."

But a girl like Brooke can't be satisfied with mere finger-banging poses on the sand or boob-flashing on the highway; she needs true-blue flesh to satiate her dirty appetite. The lucky participants in her sexy romps are a healthy pasture of fine-looking gals with eager tongues and a slick arsenal of sex toys. Together, they make Brooke's Web-cam shows a sapphic Shangri-la for viewers and performers alike.

"If I had to pick, the cam shows would have to be my favorite part of my site. It's such a turn-on flirting in front of the camera. I love thinking about all the people watching me while I'm pleasing myself. I really get into it, if you know what I mean."

We think we do, Brooke, but feel free to explain it in slow, lingering detail.



"Our sources have confirmed it, Mr. President. Two years out of office, and Bill Clinton is still getting more blowjobs than you."

Jenna Tales

Adventures in the Skin Trade With Jenna Jameson

Hey, guys, welcome back to my column! I have been so busy lately. I just finished filming *Where the Boys Aren't 16* for Vivid Video, directed by the always flamboyant Chi Chi LaRue. The cast is fabulous too, with Sunrise Adams, Mercedez, Dasha, Taya, Savanna Samson, Kira Kener, Brianna Banks and Chloe Jones. It's Chloe's first film for Vivid, and her performance is sexy. During a particularly sizzling scene with Sunrise, I actually fell off the back of the couch. We had to stop filming and take a break. How embarrassing! In another scene with Mercedez and Sunrise, the set decorators dumped the contents of a bunch of pillows in front of a fan to create the effect of "snowing" feathers. Chi Chi managed to get a feather stuck in his throat and started choking. Despite this brush with death, we continued, but we were covered in feathers by the end of the scene. I had a great time—who wouldn't enjoy having sex with all those beautiful women?—but the last few days on the set seemed to last forever. Makeup took an average of six hours each day to apply before the cameras even started rolling. Who says I don't suffer for my art?

Also, I wear this really sexy rhinestone corset in the film. And get this—it was originally special-ordered for Madonna to wear for a magazine cover-shoot. Needless to say, I felt awfully close to the Material Girl. I've included a couple of pics from the shoot here, but be sure to check out the on-the-set report on page 120 of this very issue.

In early March, I visited my old friend Howard Stern. I can't tell you how much he's helped my career. I'm so grateful for all the support he's given me. It was great to see him, and I had a blast.

I was also mentioned in *Rolling Stone*'s "All Things Cool" list. They picked "Jenna's Rules for a Good Time" for their "Cool Sex Lesson." I gave them some tips on how to prepare for a love-making session, like chewing gum to help prevent lockjaw.

All of this, and I just signed a seven-year contract with Vivid! This is by far the most important contract I have ever signed. I'm so excited that I'm going to be behind the camera as well as in front of it. I can't wait to start directing. And I have an option to act in other editions of the *Where the Boys Aren't* series. My last three years with Vivid have been fun and extremely lucrative.

Through ClubJenna, my merchandise is now being distributed in Australia. I've always loved Australia and Australians, and I'm looking forward to visiting Down Under really soon.

If there's anything you'd like to see in the next installment of my column, don't hesitate to write to me. I love getting letters from fans all over the world. It makes me feel so good inside. Just drop me a line at *Jenna Tales*, c/o HUSTLER Magazine, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211.

See you soon!

XoXo, Jenna

Jenna comes up for air.

My Plaything 2: It's a Boy!

Directed by S. Taylor.
Starring Jenna Jameson, Carmen Luvana and some anonymous stunt cock.
Videocassette: New Sensations/Digital Sin.

Spread out over two feature-packed interactive DVDs, *My Plaything 2: It's a Boy!* allows fans of Jenna Jameson to play puppet-master with the legendary strumpet. However, no amount of multiple angles, "Cum on Q" features and naughty/nice mood controls can make the virtual-stroke experience work unless the star can sell the fantasy. As it turns out, Jenna is as adept at selling herself as she is at fucking. In every position and angle, Jenna goes all-out. Watch for the mischievous grin that creeps across her splooge-spattered face at the end of her "nice persona" blowjob. Jenna also proves to be a supportive and caring video trollop, regularly offering up praise such as, "You're better than I could have imagined!" to encourage hesitant strokers. Loaded with behind-the-scenes featurettes, outtakes and a scorching girl/girl romp with Carmen Luvana, *My Plaything 2: It's a Boy!* gives birth to a new standard for high-tech smut.

MYSTERY MAMS

HUSTLER SOLVES THE MARY CAREY BREAST DEBATE

Bubbly, blond porn chick Mary Carey and her hefty rack recently became the center of attention after a heated controversy erupted over whether or not the porn vixen had once undergone surgery to achieve her whopping 38DD breast size. Although Carey now insists her fat rack is in fact a God-given treasure, a recent interview with *Adult Video News* stated that the young fuck star had indeed gone under the knife to liven up her figure.

The true origin of Mary Carey's fabulous melons soon caused quite a stir on porn-gossip Web sites and industry message boards. Some people swore they were real. Others maintained they were store-bought. The truth is, no one really knew for sure except Mary Carey herself, and it seemed at times that even she wasn't positive.

Never ones to traffic in idle speculation, we at HUSTLER concluded that the only way to end this controversy was to send a professional breast man down to the shooting of Mary's first-ever boy/girl scene for her new company, Kick Ass Pictures, and have him end this debate once and for all.

After a battery of tests that took most of the morning, it became evident that Mary Carey's busty, vivacious boobs were as real as the sun is hot. Our correspondent took her by the shoulders and shook her vigorously, taking note of how the milk mounds swayed back and forth. The visual inspection showed no sign of scarring. Ms. Carey dropped her sweater meat on the reporter's head, at one point offering, "My pussy is real too. Would you like to touch it?" Without so much as a reply, the crack researcher plunged his fingers deep into her snatch and determined that it was definitely real, and moist.

After exonerating Ms. Carey on the charge of glandular trickery, the question remained: Why did this budding star fib in the first place? Why not be proud of her perfectly real assets?

"I was naïve," Mary finally confessed, as she prepared to have her onscreen cherry popped by swordsman Lee Stone. "Truth is, I thought what everyone wanted was the Jenna Jameson look. You know, a skinny blonde with big, fake tits. I just wanted to fit in. But I never thought anyone would even give a shit whether they were real or fake."

Weapons of Ass Destruction

Directed by Jules Jordan.
Starring Belladonna, Gauge, McKayla Matthews, Trinity, Stacy Carpenter, Jules Jordan, Lee Stone, Jay Ashley, Pat Myne, Eric Everhard, Brett Rockman and Arnold Schwartzenpecker.
Videocassette: Evil Angel Video.

One look at *Weapons of Ass Destruction* and Hans Blix would run the other way with his dick between his legs. Belladonna kicks things off with an arsenal of dildos, butt plugs and anal beads, not to mention real man-meat courtesy of the obliging director. The anal slut's back door is bigger than a missile silo, and her colon is spotless, as demonstrated by the shiny, yard-long string of plastic bubbles that are yanked out of her poop chute, then crammed down her throat. Sweet and cheerful anal queen McKayla Matthews bursts out of Seymore Butts's talent roster for a stunningly lascivious sphincter workout. Pent-up Gauge is unleashed for a quadruple ramming, and four cocks into three holes equals a double ass-reaming along with giant shots of jizz, which she swallows all at once. *Weapons of Ass Destruction* should only fall into the right hands—yours.

—Jimmy Papagiorgio

Porn Star

Directed by Brad Armstrong.
Starring Julia Ann, Asia Carrera, Nicole Sheridan, Lezley Zen, Stormy, Aria, Amber Michaels, Jonathan Morgan, Dillon, Brad Armstrong, Lee Stone, Voodoo and Baret Blade.
Videocassette: Wicked Pictures.

Although a porn comedy with a message sounds horrific to most deviants, *Porn Star* manages a reasonably clever take on Hollywood vs. the jizz biz. Fading mainstream movie queen Julia Ann decides to explore the world of hard-core in order to restart her stalled career. Touring fuck-flick sets with her sleazy agent (deftly portrayed by the weaselly Jonathan Morgan), Julia watches bubbleheaded ingenue Nicole Sheridan wolf down Voodoo's massive tube steak. Julia fantasizes about joining in, and soon desire becomes reality when Julia and Amber Michaels have a toy-filled twat party. When he runs short on ideas for satire and social commentary, director Brad Armstrong relies on having a 'roid-raging Lee Stone hammer-fuck Lezley Zen. Loaded with hot new starlets such as Aria and Stormy, this *Porn Star* won't have trouble gaining fans.

—C. T.

HUSTLER'S Young Latin Girls #3

Directed by Ray Anderson.
Starring Amanda, Kelly Tyler, Hennesy, Trixie, Aimee Tyler, Mark Ashley, Joel Lawrence, Zolly, Alex Roc and Valentino.
Videocassette and DVD: HUSTLER Video.

The next time you're sugaring your own *churro*, reach for the honeys of *HUSTLER'S Young Latin Girls #3. Muy caliente* Kelly Tyler glosses her pouty, pink lips with a passionate, fast-paced blow-job that would make Speedy Gonzalez proud. Trixie, another svelte, spicy groin-stiffener, also goes deep while throating a baby-arm-sized schlong. Unable to go balls-deep despite her best efforts, she offers up her brown starfish instead for a scorching anal rut. Flat-chested cutie Aimee Tyler keeps her holes stuffed with *chorizo* by two goons in a nasty scene that ends in a messy double facial. The cinematography has a definite '70s vibe that doesn't always satisfy, unlike the fiery performers. The blazing *chicas* of *HUSTLER'S Young Latin Girls #3* are hotter than habanero peppers and can't seem to get enough *carne del hombre* to satiate their burning tongues and coochies.

—J. P.

Cruel Seductions

Directed by Chloe.
Starring Jessica Drake, Chloe, Daisy Chain, Ruby, Mary Carey, Cheyne Collins, Randy Spears, Steve Hatcher, Chris Cannon and Kyle Stone.
Videocassette: VCA Pictures.

In *Cruel Seductions*, Jessica Drake is a manipulative whore who uses sex to take advantage of repressed innocents. Slender and slutty, Drake is easy to watch as she rides Cheyne Collins's man root, and the hardworking vixen is reamed in three separate scenes. Thanks to Drake's machinations, bespectacled geek Ruby is transformed from an uptight prude to a trashy fuck poodle via an anal reaming from Steve Hatcher. Although logic dictates that Ruby should be grateful for the personality change, the poop-chute-plugging sends the redheaded harlot on a mission of revenge against Drake. Elsewhere, director Chloe steps out from behind the camera to bounce on Randy Spears's chubber, and Daisy Chain enjoys a dungeon dykefest with Mary Carey. Thanks to six solidly depraved scenes, *Cruel Seductions*'s advances are hard to resist.

Surfer Girl: *Pat Myne searches for his lost car keys in Karina.*

Girlvert #2: Ashley Blue: *Ashley conducts her own taste test.*

Nymph Fever 8: *Malorie Marx undergoes testing.*

Girlvert #2: Ashley Blue

Directed by Jim Powers.
Starring Ashley Blue, Angel Long, Julie Night, Jasmine Lynn, Chris Charming, Dick Tracy, Anthony Hardwood, Ben English, Trent Tesoro and Mr. Pete.
Videocassette: J. M. Productions.

Though not the first so-called girlvert (that honor belongs to Keegan Skyy), ubiquitous nympho Ashley Blue makes the role her own in *Girlvert #2*. The cute tigress declares her love for pork rinds, beer and, oh, yeah, dominating the hell out of her nasty-slut fuckmates. Ashley's already made her name as one of the most enthusiastic performers in porn, but here she really cuts loose—yelling, swearing, choking and playing rougher than a coked-up sailor in a bar fight. The sweet-faced pixie forces tramps like Jasmine Lynn to ream her asshole, throat-fuck a strap-on and satisfy three cocks while Ashley hurls insults at them. More timid Ashley Blue acolytes might be turned off by her harshness in this video, but Ashley revels in the role, and rough-sex-loving pervs will discover their new patron saint in *Girlvert #2*.

—J. P.

Surfer Girl

Directed by Michael Raven.
Starring Karina, Asia Carrera, Alexis Malone, Natasha Dolling, John West, Steven St. Croix, Alex Sanders, Pat Myne, Dillon, Eric Masterson and Chris Cannon.
Videocassette: Sin City Films.

Complete with footage of inept porn stars surfing and Zen-tinged musings about the ocean by Asia Carrera, *Surfer Girl* overcomes its goofy pretensions with the help of foreign *über*-slut Karina. At first, the bottle-blonde appears to be a typical Barbie doll with inflated tits, but she springs to nasty life as soon as she comes in contact with cock or cunt. In a threesome with Pat Myne and John West, the Nordic cum target eagerly deep-throats West's wand. Her choad-huffing escalates to throat-fucking when Pat Myne violates her snizz from behind. Carrera makes up for her own cringe-inducing voice-overs by noisily boning Sammy Hagar doppelgänger Alex Sanders on the beach. The brainy jizz queen returns for a final rut with Karina and Dillon that will have both surfers and landlocked pervs reaching for their Sex Wax. *Surfer Girl* is seeworthy filth.

—C. T.

Fantasy Ltd.

Directed by James Avalon.
Starring Petra, Lezley Zen, Faith, Katie Morgan, Ann Marie, Malitia, Becca Bratt, Heather Priest, Rafe, Nikko Night and Lee Stone.
Videocassette: Metro Video.

The average HUSTLER reader will not like *Fantasy Ltd.*—unless he's willing to wade through director James Avalon's signature art-fag style to uncover the XXX stroke fodder hidden within. Petra's girly fantasies of soft music, candlelight, flowers and bubblebaths are contrasted with typical-guy wet dreams, like a couple of hotties mud wrestling or a pair of sex-bots designed to provide pleasure. No MTV-wanna-be camera tricks could soften the blow of the spectacular cast. Petra carries the film, with her supple body fueling most of the fantasies, and Katie Morgan's guest spot is spectacular. Silver-dusted androids Faith and Ann Marie get the viewer's blood pumping in a tripped-out scene that's both raunchy and stylized. Despite its artistic pretensions, *Fantasy Ltd.* occasionally pulls off the rare combination of chick- and stoner-friendly hard-core.

—J. P.

Nymph Fever 8

Directed by Jerome Tanner.
Starring Hannah Harper, Kiki Daire, Melody, Malorie Marx, Brittany Skye, Roxy Blaze, Evan Stone, Dillon, Ben English, Jay Ashley, Mr. Pete, Lee Stone and Frank Bukkwyd.
Videocassette: Legend Video.

Addressing the war on terrorism as only pornographers can, *Nymph Fever 8* posits a nefarious anthrax-like attack on America where citizens are infected with a substance that turns them into insatiable fuck hounds. The transformation isn't immediately apparent with first victim Kiki Daire (for obvious reasons), but when the gargantuan-titted harlot mounts Lee Stone's crooked veiner in the middle of a crowded newspaper office, some reporters sit up and take notice. British tart Hannah Harper is an ambitious weather girl investigating the attacks, but her journalistic skills are outshined by her ability to take Ben English's man-meat in her crap hatch. Malorie Marx is also memorable as a quarantined patient whose irresistible snatch infects scientist Evan Stone. Despite a surprisingly gloomy ending, *Nymph Fever 8* will raise the temperature of anyone who comes in contact with it.

—C. T.

Fantasy Ltd.: *Faith goes to where the flavor is.*

Surfer Girl: *Alexis Malone rides a pink wave.*

Fantasy Ltd.: *Despite a mighty struggle, Lee Stone can't extract himself from Katie Morgan.*

Nymph Fever 8: *Kiki Daire is intubated.*

Girlvert #2: **Ashley Blue:** *Ashley: "Hey, it's your grandma—can you talk?"*

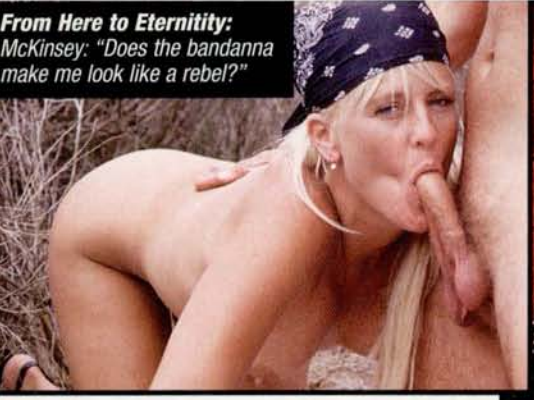
WILL METRO'S LATEST RELEASE INCREASE PRODUCTIVITY?

In this hectic modern era, finding the time to bust a nut can be difficult. Fortunately, thanks to the folks at Metro Video—pioneers of the latest in interactive sex simulation—you're finally able to multitask while watching a fuck film. *Virtual Dreams*, the world's first voice-activated adult DVD, utilizes Metro's exclusive "Talk2Me" technology that works via a voice-recognition system on your computer. This feature allows you to choose various scenarios that place you in the middle of the ball-draining action with a simple vocal command. Granted, you are wearing a headset, but it's a hell of a lot easier to voice your requests than juggle a bottle of Astroglide and a remote control or mouse. The hands-free technology also makes it possible to rub one out and drink a beer simultaneously, instantly doubling your recreational time.

The starlet of *Virtual Dreams* is cock-gobbler extraordinaire Nikita Denise, AVN's 2002 Performer of the Year, with a special appearance by Metro's latest contract fuck toy, Kelly Erikson.

The options run from Foreplay mode (where you decide whether Nikita undresses, touches herself, fingers her ass, shoves a vibrator up her crap hatch or lets you shove a finger in her twat, etc.) to Sex mode (where she blows you, you fuck her doggy-style, in the missionary position or hump her tits). There's also a "pop-shot option" in every sequence, so when you're ready to blow, Nikita's there waiting for your choad release.

The only downside to the product is that the hands-free option only works in conjunction with your PC. Regardless, the simulation is so realistic you can almost smell it.



From Here to Eternitity: McKinsey: "Does the bandanna make me look like a rebel?"

Cream Filling: Sharon Wild feigns enthusiasm.

Babes Illustrated 12: Jade, Nyomi, Crystal and Jocelyn make a connection.

Babes Illustrated 12

Directed by Mike Quasar.
Starring Carolyn Monroe, Allysin Chaynes, Ann Marie, Romona Luv, Crystal, Jade Marcela, Nyomi Marcela, Jocelyn, Taylor Ann, Ember, Kaylani Lei and Sabrine Maui.
Videocassette: Cal Vista/Metro.

Busty painter Carolyn Monroe presides over *Babes Illustrated 12*'s artsy-fartsy sapphic romps. Each commencing with footage of Carolyn working on a canvas and pondering the eternal questions of art and eroticism, the five lezfests are all fairly routine, save for the central foursome. Sisters Jade Marcela and Nyomi lap the slits of twin trollops Crystal and Jocelyn. Flirting with some taboos, the exotic quartet uses strap-ons to form a train of female flesh, careful to keep siblings separated by the body of a nonrelative. The double-vision effect is a little disorienting, but it's impossible to look away. Despite absurdly inflated tit sacs, Crystal and Jocelyn are an attractive addition to the pantheon of unusual adult talent and, by far, the best reason to watch *Babes Illustrated 12*.

—C. T.

Cream Filling

Directed by Zakk Wylde.
Starring Brittany Skye, Ashley Long, Hanna, Sharon Wild, Lucie, Pavla, Misty, Katie, Jay Ashley, Dennis Marti, Joel Lawrence, Marty Romano and Daniel.
Videocassette: Astoria Productions.

Cream Filling falters by trying to have its cum and eat it too. A lot of chicks who watch porn just don't get the point of pulling out for the pop-shot. The simple aesthetics of a face doused in splooge are lost on them and, potentially, one or two guys. Director Zakk Wylde tries to rectify the dilemma with an internal cum-shot-themed feature, but he compromises too much to please either camp. Instead of thrusting deep into a tramp's uterus to blast her Fallopian tubes or simply pulling out to shower a gorgeous hottie with nut cream, the stunt-cocks dribble their loads into the chick's labes so that viewers can see the mucusy ball grease ooze out of quivering cunt lips. Thankfully, Brittany Skye and company are so good at fucking that, conceptual flaws aside, it's easy to glaze your doughnut with *Cream Filling*.

—J. P.

From Here to Eternitity

Directed by Sandy Bunz.
Starring Brandy, Kelly Moon, McKinsey, Alexis, Dino Bravo, Cam Shaft, David Steel and Valentino.
Videocassette: Flash Point Productions.

From Here to Eternitity [*sic*] uses the legendary beach make-out scene from the classic film it slyly puns as the jumping-off point into a sea of amateur porn. Vivid Video won't be signing these girls anytime ever, and the hit-and-run camerawork eschews even rudimentary frills, such as boom mics or lighting. Still, the amateur aspects help to intensify the sense of voyeurism as the scenes unfold. Brandy and Dino look like the kind of people you'd catch screwing on a nude beach, and the way it's captured on tape feels like a friend of yours stumbled upon them and happened to have his camcorder. The two outdoor romps, especially the opening tumble in the wet sand, are tinged with peeping Tom thrills that slick, big-budget porn releases just can't buy. Too bad the makers of *From Here to Eternitity* couldn't spring for chicks you'd actually want to nail.

Easy Poon in a Greasy Spoon

I am a loyal HUSTLER reader; I have been buying your magazine for ten years and have been a subscriber since 1998. I never thought about writing to you until a few days ago, when I found myself to be the only cock at a pussy party.

Marla is the hottest waitress at the restaurant where I work as a dishwasher. I don't always bus the girls' tables for them, but Marla points her crotch squarely at me when she asks, and I swear I can see the big-titted redhead's cunt twitching behind her tight skirt. I thought she didn't mean anything—that girl flirts with everybody when she wants a favor, or a tip—but I figured that if I followed her around with a bus tub she'd have to pay me back some way.

I was right. The Ionia County Fair ended last week, and man, was that slut busy, shaking her ass for her 15 percent! When we finally closed on Sunday night, Marla and her sister, Michelle, and this black girl they brought in were so tired, they left the dirty dishes on the tables and came into the steam-filled dish room with a six-pack for me.

"Scott," Marla whined, trying to look pathetic and targeting me with her pelvis, "will you do us a big favor?" I told her it'd take a hell of a lot more than a six-pack. Sweaty and tired as she was, Marla stepped up close to me and dropped her skirt. She rooted around in her underpants and rubbed her sweaty mound. I wiped my face and grabbed Marla by the knobs, feeling each nipple press against my palm like she had half a roll of Life Savers inside each cup.

I pulled the crafty waitress's button-down blouse over her carrottopped head and yanked her brassiere down to expose her creamy mounds, eliciting an "*Ooh*" from her. Michelle and the black girl necked and petted each other. I tugged and licked at Marla's huge, pale-pink nipples, pulling her mitt out of her drawers to finger her myself.

Pretty soon we were all on the wet, terra-cotta floor, mostly naked. Lying in a 69 position over Marla, I spread her ripe, shaved nether lips and tasted her pungent clam as I batted my stiff cock against her smudged face. With my thumb and forefinger, I plugged her teasing slit and spicy shithole, tonguing her clit so energetically the horny bitch clamped her thighs over my ears. Maybe it was the humidity in the dish room, but I couldn't lick out her girl goo before her swollen pussy walls secreted more.

I stabbed Marla's mouth with my dick. I would have kept slamming my hard prick home till I popped, but I felt a face at my ass crack, and saw the black girl in front of me, gently prying apart Marla's legs. She eased my paw out of the redhead's crack and, as Michelle rimmed me, the dusky slattern sucked both of my chick-ripened fingers. Marla moaned around my tube steak, prompting me to grind into her face again. The sweaty Nubian lass turned around and buried her chin in the redhead's syrupy snatch, presenting her own firm, black ass to me. I lapped at the wet meat before me, negotiating my tongue through a Brillo-like muff, and was rewarded with her almost instant pussy spasm that made the dark siren yodel into Marla's snatch. The redhead, in turn, reached a frothy, sputtering climax that splashed across the tar-babe's chin.

I spread her nether lips and tasted her pungent clam as I batted my stiff cock against her face.

I emptied my balls into the throat of the stacked, shuddering girl beneath me. Michelle was licking my ass so well that I kept popping pearls of gunk down her sister's throat for some time. I had a twinge of regret that Marla's skinny, plain sibling wouldn't be getting off with us. Of course, once I'd quit coming, I noticed that the homely girl had four fingers in her own cunt. While the rest of us caught our breaths, Michelle lay on the floor and finished alone.

I don't believe that three girls out of three would fuck me rather than do some dishes, all other things being equal. There's probably some aspect of what happened that I'll never know. Frankly, I don't care. I put the last load of dishes in at 3:30 the next morning, went home and fell asleep for all of Monday.

Jenna serves up a hot slice to Sunrise Adams.

REN'T 16

Sunrise: "There's something fishy about this."

CAN ONE QUEER MAN MAKE NINE PUSSIES CREAM?

Report by Scott Fayner / Photos courtesy of Vivid Video

There's a definite level of comfort in knowing that, when you go to a porn shoot, the usual bombardment of gigantic, exposed testicles won't be there to assault you in all their hairy, sweat-dripping grandeur. Today's Vivid Video extravaganza, the 16th installment of their red-hot series *Where the Boys Aren't*, is one such occasion. Better yet, the entire Vivid Girl stable is here—locked, loaded and itching to partake in blistering, hard-core lezzie games. The possibilities are endless.

The group of adult stars working under the Vivid crest these days reads like the blue-screen equivalent of the list of Oscar nominees for Actress of the Year: Jenna Jameson, Brianna Banks, Kira Kener, Dasha, Taya, Sunrise Adams, Mercedez, Savanna Samson and Chloe Jones. That amounts to nine of the finest vaginas working in the porn business today. And right now, they're all together in one room. Frankly, I was expecting there to be a faint buzz of uneasiness, what with all these stars, each one an established diva, under the same roof, but the girls all seem to be getting along just fine with one another. And here I was hoping for a catfight....

At the helm of *Where the Boys Aren't 16* is Chi Chi LaRue, a seriously gay man. It seems preposterous that a guy who shuns pussy like the British shun modern dentistry could successfully direct a girls-only porn movie, but what Chi Chi lacks in personal cunt-lust he makes up for with a professional enthusiasm that's far too rare in the filth business.

The first scene utilizes the proven snatches of Jenna, Dasha, Sunrise and Chloe. Dolled up in stiletto heels and angel wings, the four lasses take turns being tongue-probed and having their twats stuffed with a silver dildo by the other three tarts. Chi Chi squeals gleefully from behind the monitor: "Jam that thing in her pussy! That's it! Oh, my God, this is so fucking hot!" If not for the thick scent of female arousal in the room, one

ra Kener: "Psst—is that gay guy the mask still behind me?"

Savanna and Brianna Banks get lippy.

Savanna and Taya mash gash.

"Jam that thing in her pussy! That's it! Oh, my God, this is so fucking hot!"

might imagine that LaRue was at a Barbra Streisand concert.

It's Jenna's turn first to be invaded, and Sunrise goes straight for her famous snatch, licking, poking and shoving the thick toy deep inside her soft folds. Dasha floats behind them, wings spread, reaching for a stray boob or accommodating the energetic Jenna by allowing Ms. Jameson to grope at her perfect body.

It becomes clear during a quick break that Chloe has a healthy appetite for sex; as crew members and makeup people scramble to put everything in order, the Texas-born Chloe shuts her eyes and leans back on the couch to make a sloppy mess of her pussy. Contrary to popular belief, rarely will you find a XXX starlet jilling off when the camera's not rolling. More than one person stops to watch a few seconds of her self-exploration. I plant myself ten feet away and put my feet up on a chair for a front-row seat to the whole show.

With the initial scene completed, all nine starlets lounge in the back room while the crew sets up for the next one. Most of them are sleeping. Mercedez and Sunrise talk on their cell phones while their hair is styled. I spend some quality time with Brianna, who's also shocked at how well these famous dick-riders are getting along.

"It's difficult," the huge-boobed, flaxen-haired vixen tells me. "There's a ton of great talent in this room. But we're all friends." Or at least chummy enough to spend the day with their faces buried in one another's crotches, if the money's right.

I wait until the sleeping Vivid beauties all wake from their slumber, then say my goodbyes. Twice. Who knows when I'll be in a situation like this again?

Sugar is a 28-year-old housewife from Indianapolis. When she isn't busy shopping for Technicolor sex toys, she can usually be found spending quality time with her family. But after dinner at Mom's, the prospect of eventually "making love to my husband on the hood of the car at the drive-in" fuels this gal's engine.

Throw on a pair of shades, because 26-year-old Suni is heating up the town of Twentynine Palms, California. This student's hobbies include trips to Vegas, water activities and watching naughty movies. Suni has a strong desire to have a woman "lick my clit while my husband fucks me in the ass." She's also on the lookout for "a beautiful woman to be my sex slave."

Yvonne is all about "partying, rollerblading and sex on the beach." We're not sure if she means the drink, the act or a combination of the two, but we're certainly intoxicated by this perky 24-year-old executive assistant from Austin, Texas.

Motorcycle riding is 22-year-old Summer's favorite pastime. Besides strutting down the runway as a bikini model, this buxom beauty enjoys the occasional wet T-shirt contest in her hometown of Chicago. Summer's fantasy is to "have my boyfriend fuck me while I am eating out another girl."

Passion, 27, is a billing supervisor from Roanoke, Virginia, who enjoys the arts, including drawing and painting. Don't let Passion's innocent expression fool you; this gal's raunchy carnal aspiration is for she and her boyfriend to "have a threesome with another guy on the beach."

Sherry, a 21-year-old vixen from Granville, South Carolina, loves two activities: bowling and threesomes with her husband and girlfriend. This enchantress of the lanes writes that her most vivid sexual fantasy is to "be in an X-rated film with a guy and a girl. I want to get fucked with a huge cock while I eat the girl's juicy pussy." That's a strike in our book.

—Photo by Husband

Clarrisa, from Palm Beach, California, lists swimming and letting loose at the roller rink as her hobbies. She'd one day like to get "three girls into bed." We don't know what this 20-year-old does for a living, but it's obvious where her true talents lie. Look, Ma, no hands!

—Photo by Girlfriend

Ann, 31, is a housewife from Savannah, Georgia. This tattooed, gold-sportin' ebony princess enjoys the domesticated pleasures of reading and cooking when she's not daydreaming of a "gang-bang with my husband and five other guys."

—Photo by Boyfriend

We love the way 32-year-old Lynne from New Philadelphia, Ohio, shows off her delicious rear view. While this Buckeye enjoys hiking, bike riding and walking, Lynne fantasizes about "making love to my husband on a freshly fallen pile of autumn leaves." She neglected to list her occupation; might we suggest groundskeeper?

—Photo by Husband

"I'm bisexual and in an open relationship with my boyfriend; so my fantasies are fulfilled all the time," gloats Sofia, a fair-skinned filly from San Diego. The self-employed, well-groomed 36-year-old admits that her favorite activities include running, dancing, traveling and playing violin.

(continued from page 74) looks like, what was on that fucking table. There were lots of people that lived out there that got it. I sued not only the government, but the developers that sold the house and developed the community. Obviously they fucking knew. You've got to disclose that shit. If you've got to disclose if there's fucking ghosts in your house, you've got to disclose that you're living in a crap neighborhood, even though it was multimillion-dollar houses.

HUSTLER: What happened with that lawsuit?

NEIL: Since one went away, they all go away.

HUSTLER: You definitely blame your daughter's death on Rocketdyne?

NEIL: Absolutely. They just keep that shit open. People die, and they don't give a shit. It's fucked up.

HUSTLER: Does the government own it?

NEIL: It's like the NASA Space Program. It's run by Boeing [who now owns Rocketdyne], but Boeing is contracted through the U.S. government to run the tests. They said they cleaned up that basin down there. They said they took like a foot of dirt out, then sealed it and carted it away. But it's been there since the fucking '50s. It's not a foot down; it's 40, 50 feet down. You can't fight city hall. There's another Asshole of the Fucking Month: the U.S. government.

The world's first nuclear meltdown occurred in Simi Valley, California, not more than 20 minutes from Los Angeles, on July 26, 1959. Thanks to a lack of media coverage on the meltdown, the amount of radiation that escaped and where it went is completely unknown. Despite the magnitude of the event and its suspected impact on the environment, even the residents of Simi Valley and the adjacent San Fernando Valley are largely unaware of what happened there and what has continued to take place in the years following.

The 40-year saga of gross negligence and subsequent whitewashing began when power company Rocketdyne's primitive nuclear reactor, the Sodium Reactor Experiment, experienced a meltdown. Nearly a third of the reactor's core melted, and radioactivity spewed into the environment from the unshielded building. But instead of workers in hazardous-materials suits converging on the scene and evacuating the surrounding area, the disaster was not even acknowledged until six weeks later in a small and misleading press release. The communiqué announced that only "a parted fuel element was observed" and that "the fuel element damage is not an indication of unsafe reactor conditions. No release of radioactive materials to the environment plant or its environs occurred, and operating personnel were not exposed to harmful conditions." It was a lie that Rocketdyne has perpetuated and exacerbated in the decades since.

"Rocketdyne is our Chernobyl," says Jonathan Parfrey, executive director of the Los Angeles public-health organization Physicians for Social Responsibility and longtime Rocketdyne critic. "People have died; others are chronically ill. But because it's so damned hard to link a hypothetical incident of exposure to the onset of a specific disease, I bet Rocketdyne will never be accountable for their acts."

Locals call it "The Hill," a 2,668-acre military-industrial complex, covered with boulders and blanketed by chaparrals, smack-dab in the middle of the mountains separating the valleys. The Santa Susana Field Laboratory (SSFL) is a giant expanse of rocket-test stands, concrete bunkers and decaying former nuclear reactors. The laboratory was integral to developing America's arsenal of intercontinental ballistic missiles, including the nuke-tipped Navaho, Atlas, Jupiter and Minuteman rockets.

Rocketdyne has inadvertently and deliberately leaked a plethora of radioactive and chemical poisons into the environment since it first opened SSFL in 1946. Residents are currently fighting back, lodging more than 300 individual lawsuits against the Boeing-owned company. They contend that the pollutants emanating from the site, now undergoing a $258-million cleanup, are killing them with oftentimes rare cancers.

The same year as the nuclear meltdown, a fuel rod exploded at the lab while being washed, flooding a reactor with radioactivity that was vented outside. In 1960, a reactor pipe that was being moved outdoors for decontamination exploded and flew across a ravine. The facility would also experience another meltdown in 1964, with 80% of the fuel from an experimental space reactor melting, causing radiation to escape into the environment.

Rocketdyne claims to have changed its ways. "Back during the Cold War years, when KGB agents were working the San Fernando Valley, we were required to maintain a degree of secrecy," says Dan Beck, Rocketdyne's public-relations chief. "But we put that era behind us years ago. Since the '80s, we've been very open, very responsive to the community. The idea of Rocketdyne being supersecretive and hiding things just isn't true."

Dan Hirsch, the president of the Los Angeles-based environmental watchdog group Committee to Bridge the Gap, would beg to differ. Along with Parfrey, he serves on the EPA-sponsored Santa Susana Field Laboratory Workgroup that oversees the cleanup of SSFL. Hirsch has been the bane of Rocketdyne since 1979, when he was a lecturer at UCLA and one of his students showed him an instructional film that depicted workers at the Simi Valley facility cleaning up after the 1959 reactor meltdown, despite the company's rosy press release. Hirsch has no doubt that Rocketdyne continues to stonewall about the meltdown's serious aftermath: "The question we cannot answer is how much [radioactivity] was released and how much it affected people."

Accidents and coverups haven't been the only problems plaguing Rocketdyne, which has also deliberately released goo into the hills and water near the SSFL facility. In 1961, Rocketdyne began burning radioactive waste in an open-air, sodium burn pit, euphemistically called the "Thermal Treatment Facility." That dangerous practice was banned by the California Environmental Protection Agency in 1989. The company pleaded guilty to the open-air burnings, and received a $280,000 fine to limit and settle all future claims.

Despite the punishment, Rocketdyne continued to burn the waste outside, for which it was fined an additional $650,000 in 1990. Six years later, two scientists were killed when a "bucket test," or illegal burning of chemicals, exploded, a tragedy for which the company paid $202,500 in fines in 1999. Rocketdyne earned another dubious honor when it was fined $6.5 million for three counts of violating federal environmental laws—the largest such payout in U.S. history.

By the 1990s, residents had had enough, and class-action lawsuits representing 50,000 San Fernando Valley inhabitants were filed against Rocketdyne. But they were dismissed after a judge determined that the residents should have known about pollution problems earlier from stories in the local papers, and that the statute of limitations had run out—this, despite the company's protestations over the years that they ran a clean operation. But folks possibly affected by Rocketdyne's SSFL still haven't given up the fight, soldiering on in their battle against the Hill.

DOCTOR DISCOVERS PILL TO ENLARGE YOUR PENIS!

PRO+PLUS PILLS WILL WORK FOR YOU!
WE OFFER A 100% MONEY BACK GUARANTEE!!

No Pumps, Exercises or Prescription!
Doctor Approved Pill Will Enlarge Your Penis up to 4 Inches!

You Will Have These Penis Gains In A Few Weeks!

Just imagine when your sex partner sees how thick and long and hard you are. How about when men will gasp with envy the first time they see the new you in a locker room, shower or gym. Your larger penis will give you the confidence to meet the challenge of any woman. Penetrate deeper and see just how much greater satisfaction your sex partner will have. You will feel in total command because now any possibility of going soft, and premature ejaculation will be eliminated with your new rock hard much larger penis.

HOW DOES PRO+PLUS PILLS ENLARGE YOUR PENIS?

The corpa cavernosa are the two spongy bodies of erectile tissue on either side of the penis. An erection is caused by blood filling the erectile tissues. But what if the erectile tissues were made larger? What if you could somehow expand the size of the erectile tissues? Then of course the erectile tissues would hold more blood and you would have a significantly larger penis. Blow up a balloon with more air and you have a larger balloon. Fill the erectile tissues with more blood and you have a larger penis. Without any effort on you part, without any exercising, pumping or stretching, PRO+PLUS PILLS will expand the erectile tissues longer and wider and fill the erectile tissues with a larger supply of blood so that your penis will gain up to 4 inches in what has been described as a miracle. **You can make that miracle happen.** You can have the penis size you always dreamed of with the PRO+PLUS PILL and we GUARANTEE IT!

IS YOUR PENIS SIZE AVERAGE?

You probably have heard or read somewhere the average penis size is about 6 inches. If your penis is 6 inches and you want to be average then don't read any further. But if your not satisfied with an average or less then average size penis, the PRO+PLUS PILLS will help you grow up to 4 inches and it is perfectly safe and it is your secret because you can take the PRO+PLUS PILLS without anyone knowing that you are taking it.

HOW LONG WILL IT TAKE TO ENLARGE YOUR PENIS?

In a couple of weeks the most noticeable change will be the width of your penis and longer lasting erections. Then after a month or two you will see a change in the length of your penis and again you will notice a thicker and wider penis. As you stand in front of a mirror you will be amazed even without an erection how your penis wil 'hang' longer and thicker. After the third month when you have an erection you will see a very noticeable change. Not just in size but your penis will look firmer, stronger then you ever dreamed possible. **No pill sold anywhere can give you the maximum potential you want in two months.** Why settle for less when you can have much more. You need **three to four months** to grow to your maximum potential and we offer special prices for a three or four months supply with a **100% MONEY BACK GUARANTEE AND FREE OFFER!**

WHAT EXACTLY IS THE PRO+PLUS PILLS?

Discovered by Dr. Dmitri Zorken and his research team PRO+PLUS PILLS is a powerful natural herbal penis enlargement formula that increases penis size, stronger erections and maintains your sexual virility. Combining the formulations of the type of herbs found in many parts of the world that can enlarge the penis erectile tissues. We also included some of the same type of herbs found in Polynesia where the men of the Mangaian tribe have sex on the average of 3 times a night, every night. While this is not what you may wish, it is nice to know your sexual performance can improve substantially.

HOW BIG IS BIG AND HOW MUCH DO YOU NEED TO SATISFY YOUR PARTNER?

Consider the difference between a 7, 8 or 9 inch penis that is thicker and a penis that is 4 to 6 inches and narrower. With a larger penis you penetrate more sensitive areas of the woman. Your longer penis probes deeper searching those special nerve endings. The added width to your penis fills and presses her from side to side to give your partner the most exhilarating sensations. **It is possible for you to reach the most sensitive area of all, a woman's G-spot.** These sensations will produce for a woman the ultimate multiple orgasms. At the same time because you are reaching a woman's most sensitive areas with your larger penis you will receive more pleasure to your sensitive nerve endings. Just knowing you are giving your partner this pleasurable experience will certainly give you the added confidence of being a better lover.

WHAT WILL THE PRO+PLUS PILLS DO FOR ME?

- A longer, thicker penis. Penis Enlargement up to 4 inches or more
- A longer, thicker penis even when you are not hard. Because there is more blood flow to the penis, your penis 'hangs' larger all day.
- You will have bigger, harder erections. Because of increased blood flow your erections grow harder.
- Erections when you want them. Rock hard erections every time. No more problems because you can't get it up and keep it up. PRO+PLUS PILLS will keep the blood flowing to your penis so you will always get hard and stay hard.
- Stronger and more intense orgasms
- Stop premature ejaculations
- Safely enhance the size of your penis.

WILL THE PENIS ENLARGEMENT BE PERMANENT?

Yes it is and you control the growth because once you reach your optimum size you could stop taking PRO+PLUS PILLS for Penis Enlargement. We say you could stop taking the PRO+PLUS PILLS because it is not necessary to be larger then 9 or 10 inches. Most women can only comfortably accommodate a 9 or 10 inch penis. Anything larger then that may be too large for most woman. Nine inches or more than 9 inches, the choice is yours.

THROUGHOUT HISTORY, MAN HAS SEARCHED FOR WAYS TO ENLARGE HIS PENIS... FINALLY, A DOCTOR HAS SOLVED THIS PROBLEM!

Doctor's Amazing SEX Patch Automatically Increases Penis Size ONE... TWO... EVEN THREE FULL INCHES in 90 Days or Less with Nothing More to Purchase!

RESEARCH SHOWS OVER 70% OF WOMEN WILL TELL YOU

BIGGER is BETTER!

XCEL IS THE WORLD'S FIRST MALE ENLARGEMENT PATCH

Finally, you understand how important penis size is to your lover and now you've decided that you want to *become a much bigger man – fast.* The only question you still have is, *"Which penis enlargement formula should I choose?"* Until recently, the choice was quite confusing since most enlargement pill companies have similar looking ads, almost identical ingredients, and claims.

The good news is there is no longer any confusion over which product gives the best results. Most medical experts agree the new, revolutionary **XCEL Male Enlargement Patch** has emerged worldwide as the definitive leader in penis enlargement technology. Developed by a top team of scientists and medical doctors over a ten-year period, **XCEL's** state-of-the-art **Patch Delivery System** automatically *increases penis size two, even three, full inches in 90 days or less.*

WORKS ON NATURAL PRINCIPLES... NO GUESSWORK OR MUMBO JUMBO!

The male erection is produced when blood flows into the special *bulbocavernosus muscles* inside the penis shaft. As these muscles fill, *the penis increases in diameter and thickness.* By expanding the capacity of these muscles, as the **XCEL Patch** does, they can hold more blood, resulting in a dramatically longer and thicker penis. Users of **XCEL** say they're *"truly astounded"* when they see their *penises reach startling new proportions... and you will be, too!*

WHAT IS XCEL PATCH TECHNOLOGY?

You've probably heard of patches to prevent chest pains *(Trinitine),* to fight bone loss *(Oestradiol),* to reduce blood pressure *(Clonidine),* to relieve intense chronic pain *(Feutanyl),* and others to help patients stop smoking, lose weight, even for birth control. Numerous articles have appeared in Time, Newsweek, The New York Times, and many medical publications about this superior delivery system. Who wouldn't want to take advantage of this remarkable technology to gain those extra two or three inches? *Happily, the price is no longer a barrier with our Special Introductory Offer!*

XCEL PATCH OUTPERFORMS PILLS, CAPSULES, CREAMS, OR PUMPS!

How can something so tiny make you so big?! **XCEL** is a small, super-concentrated dermal patch you place discreetly on your body as directed. Once **XCEL** is in place, you can relax – your part is done. The exclusive **XCEL Patch Delivery System** immediately takes over. *And does it ever!*

Unlike pills or capsules that must travel the digestive system, **XCEL's** advanced patch technology sends the full-strength, active ingredients directly into the bloodstream for fast, maximum results. **XCEL's** trademarked **Growth Release System** keeps the flow steady, constant, and 100% safe until the patch is exhausted and simply replaced with a new one. *No penis enlargement system is easier to use, works faster, or is more effective than* **XCEL!**

Remember, there will be no automatic shipments each month. This three-month supply may be more than you need. Every patch contains only the freshest, most potent botanicals from across the globe. Best of all, with **XCEL's** automatic release system, you don't even have to pay attention in order to grow big fast, but be prepared to be amazed and delighted when you experience the pride of seeing a woman's jaw drop at the sight of your penis! Mere weeks after you begin using **XCEL,** she'll see – *and feel* – the difference. **XCEL's** *fast-acting, natural process will reward both of you with long, intense, passionate nights soon after you begin using it.*

DOCTOR DESIGNED AND RECOMMENDED: 100% NATURAL, SAFE, EFFECTIVE

XCEL's proprietary, all-natural, male formula is 100% safe and effective. Please don't let **XCEL's** simplicity fool you – *this is powerful stuff!* **XCEL** has been scientifically designed to automatically help your penis grow. Why settle for average, when it's so easy to **XCEL?** This means performing far above average, and that's exactly what the **XCEL Male Enlargement Patch** will do for the size of your penis and your love life. *Why wouldn't you want to* **XCEL** *by two to three inches?*

THE XCEL PATCH DOCTOR: SAMUEL B. SILVERMAN, MD

Doctor Silverman is a prominent urologist who has dedicated many years and thousands of hours of manpower developing **XCEL.** Among Doctor Silverman's numerous credentials are his certification by both the *National Congress of Urology* and the *American Board of Urologists.* He has been *Vice-Chair of the National Society of Urologists,* as well as *President of his State Board of Urologists,* and is currently a *Chief of Surgical Urology and Research.*

XCEL PATCH BENEFITS:

PENIS ENLARGEMENT! PILLS OR PUMPS!

THE CHOICE IS UP TO YOU! ENLARGEMENT UP TO 5 INCHES IS POSSIBLE!

Jon West in the full length video feature *The Pleasure Principal*

FREE! ONE BOTTLE OF ENLARGE QUICK PILLS WITH EACH BOTTLE YOU BUY!
FREE! PENIS ENLARGEMENT PUMP WITH ANY PILL ORDER!

THE DR. BROSS PENIS ENLARGEMENT METHOD WAS INTRODUCED OVER 30 YEARS AGO AND IS THE WORLDS MOST SUCCESSFUL AND LARGEST SELLING PENIS ENLARGEMENT METHOD.

FREQUENTLY ASKED QUESTIONS FROM OUR CUSTOMERS.

Do I need to use the pump and the pills? No. You can use the pump or the pills for successful enlargement.

If the pills can enlarge my penis, why do I need a pump? You really don't, but consider this. My pump has successfully enlarged the penis for over 30years. There are men that prefer this method and especially enjoy the pleasurable sensations the pump gives them and right now the Pump is Free!

Do I get the same results with the pump or the pills? Yes, the results are the same. Enlargement up to 5 inches is possible and a thicker penis. Increased blood flow to get you hard and keep you hard and larger even without an erection.

When will I get results? In about three weeks you will notice a change in the width and in two months you will see a longer much firmer penis. Allow about four months for the full benefits of either the pump or pills for the size penis you always wished for.

When can I stop taking the pills or using the pump? Maximum growth can be achieved in three to four months. Most woman would prefer a penis not larger then ten inches. After you reach your maximum growth many of our customers reorder and continue to take Enlarge Quick Pills to achieve greater sexual health, stamina and to feel younger. And remember the pump can be used for your own personal pleasure.

How do I know which pump to choose? All of our pumps can enlarge your penis. But just like a car there are different features. Look at the style and features of each pump model.

DID DUBYA DESERT DURING 'NAM?

George W. Bush bravely defended Texas air space during Vietnam as a National Guard reservist—when he bothered to show up. A one-year gap in our commander in chief's service record indicates he may have shirked his duties without any repercussions. Moreover, the weekend warrior leapfrogged over thousands of more qualified applicants to secure his Guard spot in the first place, a fact that went unexplained until award-winning journalist Greg Palast uncovered a hidden connection. Reporter Ed Rampell's searing exposé and a revealing excerpt from Palast's provocative, best-selling book, *The Best Democracy Money Can Buy*, fill in the blanks.

LOLO FERRARI'S MYSTERIOUS DEATH

French porn star Lolo Ferrari sported the largest rack in the world—a whopping 54G. When she died at the age of 37 one night in 2000, some suspected her husband, Eric Vigne. Two years later, French police busted Vigne. Did he go O. J. on her? HUSTLER Features Editor and crack investigative reporter Dan Kapelovitz offers an in-depth look into the sordid details.

NASTY HABITS: NUN SEX SCANDALS EXPOSED

Even amid the explosion of priest sex scandals, numerous documented cases of sexual abuse by nuns fail to make similar headlines. Intrepid reporter Jim Goad lifts the veil on accusations of rape, degradation, pimping kids out to pedophiles and sleeping one's way to the top in the cloistered world of the sisterhood.

EXTREME ELVIS

Picking up where the King left off when he croaked—fat, wasted and squeezing out turds—Extreme Elvis takes Presley impersonation to a sick new level. His shows are naked, piss-soaked, crap-flinging affairs that often get shut down. Chased out of L.A.'s most notorious clubs, the corpulent, feces-hurling crooner continues to defy decency and avoid jail time in his quest to further soil his namesake's legacy. HUSTLER correspondent Stephen Lemons gets the poop.

ART ATTACK

When HUSTLER announced its Second-chance Art Contest in the August 2002 issue, we had no idea there were so many pervy Picassos among our readership. After poring over the many worthy entries, we're finally ready to reveal the contest winners. You'll be pleasantly shocked to discover what happens when readers stroke with their paintbrushes instead of their pricks.
